

# Math & English Support Class Change Form

|              |           |       |       |
|--------------|-----------|-------|-------|
| Student Name |           | Grade | CIF # |
| Date         | Requestor |       |       |

| Class               | Drop | Add | Stay the same | Teacher Approval (Initial) | Reason |
|---------------------|------|-----|---------------|----------------------------|--------|
| Algebra             |      |     |               |                            |        |
| Algebra Support*    |      |     |               |                            |        |
| Algebra Pre-AP      |      |     |               |                            |        |
| Algebra Extended    |      |     |               |                            |        |
| Geometry            |      |     |               |                            |        |
| Geometry Support*   |      |     |               |                            |        |
| Math - Basic Stds*  |      |     |               |                            |        |
| Reading Strategies* |      |     |               |                            |        |
| Reading Intensive*  |      |     |               |                            |        |
| Intro to HS English |      |     |               |                            |        |
| English Pre-AP      |      |     |               |                            |        |
| Title I Reading*    |      |     |               |                            |        |
| Writing for Stds*   |      |     |               |                            |        |
|                     |      |     |               |                            |        |

Has student been informed of these changes? Y N By whom? \_\_\_\_\_

\* An Opt Out Letter is needed only when the teacher or Title I office recommends a support class but the parent/guardian chooses to remove student from the recommended support class.

If needed, has an Opt Out Letter been signed by parents? Y N Please attach copy.
