Star of the Week

Each week we will have a student who gets to be the Star of the Week. Next week our first Star of the Week will be **Eric Chang**. I will send home a note in your child's Take Home Folder when it is their turn. When it is your child's turn please send any special pictures and items they want to share with the class on Monday and they will be returned the following Friday. Ideas are your child's favorite books, something special your child has made, a small special toy, some pictures to share.

Math

In math this week we will be working with patterns. We will practice sound patterns, motion patterns, color patterns and shape patterns.
