### **Star of the Week**

Each week we will have a student who gets to be the Star of the Week. Next week our first Star of the Week will be **NO STAR DUE TO SHORT WEEK**. I will send home a note in your child's Take Home Folder when it is their turn. When it is your child's turn please send any special pictures and items they want to share with the class on Monday and they will be returned the following Friday. Ideas are your child's favorite books, something special your child has made, a small special toy, some pictures to share.

### **AMAZE Books**

*For many years, SAP has used a collection of children's books from AMAZE called "Families All Matter" to teach students about empathy, respecting others who are different, recognizing prejudice and stereotypes, and standing up for themselves and others. Each picture book explores different cultures and life experiences of children and their families. By talking about these differences, we help prevent teasing and bullying and build a safer school environment for all students. Students are more successful when they feel accepted, and when the materials in class represent them. Here is a list of the books we will read as part of our "Families All Matter" program this year:*

- *Yo! Yes?*
- *Lots of Feelings*
- *The Kissing Hand*
- *The Family Book*
- *Somewhere Today: A Book of Peace*
