<u>Friday</u>	NO SCHOOL - MEA WEEKEND	

Notes:

Remember that we do not have school on Thursday and Friday next week.

WATER BOTTLES – Please remember to send a water bottle every day with your child. There are no water fountains that are very close to our room so water bottles are important so the kids can get drinks whenever they are needing them in the room. Thank you!

Star of the Week

Each week we will have a student who gets to be the Star of the Week. Next week our first Star of the Week will be **NO STAR DUE TO THE SHORT WEEK**. I will send home a note in your child's Take Home Folder when it is their turn. When it is your child's turn please send any special pictures and items they want to share with the class on Monday and they will be returned the following Friday. Ideas are your child's favorite books, something special your child has made, a small special toy, some pictures to share.

Math

In math this week we will be comparing numbers and groups of objects within 5 as well as assessing where the kids are so far in math. We will also practice writing numbers as high as the kids can go up to 100.
