<u>Friday</u>	Fall Festival at SAP (5pm-8pm)	Performing Arts

Notes:

Star of the Week

Each week we will have a student who gets to be the Star of the Week. Next week our first Star of the Week will be **Ava Raddatz**. I will send home a note in your child's Take Home Folder when it is their turn. When it is your child's turn please send any special pictures and items they want to share with the class on Monday and they will be returned the following Friday. Ideas are your child's favorite books, something special your child has made, a small special toy, some pictures to share.

Field Trip to Gibb's Farm (see info below about field trip day lunch...)

On Tuesday we will be going on our field trip to Gibb's Farm to learn about Pioneer and Dakota life. The field trip will be from 9:15-11:45am. We will be returning late to lunch so the kids will not be eating the normal school lunch in the cafeteria. If your child eats school lunch they will get a bag lunch to eat in our classroom or outside if it is nice. If you send a lunch from home there is no change to your routine!

Math

In math this week we will be working on identifying groups that are "more than" or "less than" or "equal". We will also introduce a math activity called "Waggle" that the kids will be using all year. It is an interactive game that gives the children math problems that are at their individual math ability levels.

Important Dates
