Notes:

The kids are settling into some great routines and already showing their independence and wonderful listening skills. Thanks for checking the Take-Home-Folder each day (starting today!) and making sure your children are coming every day with their backpacks and water bottles!

This upcoming week will be our first FULL week of kindergarten. Your children will like get very tired by the end of the week with so much school time and working so hard to do their best and stay focused in school. Be patient with them and give them lots of love!

“All About Me” Book

Please remember to send back the “All About Me” page that you got at Open House. If you need another one please let me know and I will send another home for you. We will be making a class book using the pages of each child. It is a wonderful chance for all of us to learn a little bit about our classroom friends!

Math

In math this week we will be practicing how to use a variety of the math manipulatives in our classroom.
