Here's what's happening this week:

MATH: Addition and Subtraction within 20

Reading: Building Stamina with Just Right Books

WRITING: Types of Complete Sentences **PHONICS/WORD WORK:** Short Vowels

SOCIAL/EMOTIONAL STUDIES: Transportation to School

SPECIALISTS: M, PE, S, PA, M

This week we'll be getting into building endurance and persistence with our math, writing and reading skills. The work is becoming more challenging, and will require a growth mindset. Please talk with your child about being able to stick with something, trying something

new, and having patience with themselves to practice stamina. Social connections here at school are positive and caring. Recess and lunch times are shared with the entire grade, which helps foster a strong 2nd grade community, important for our Wolf Pack!

Math will include how to recognize, build, and communicate thinking around fact fluency to 20. Reading is focusing on showing what we know individually with a teacher, practicing independent reading, and some word work.

Please send back signed Bus Safety contract, return school iPad chargers, send tennis shoes for Phy.Ed., check Home folders each day, and read 20

minutes each night.

Fact Family: Is a group of related addition and subtraction facts using the same

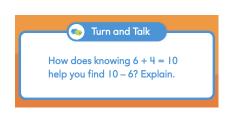

three numbers

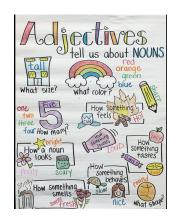

All the best from Team Two!

General Information:

- School hours 7:15 2:00
- School Library Wednesday
- 9/25 No School
- 9/28 Curriculum Night
- 10/4 Picture Day
- 10/13 Field Trip StepAfrika!
- Breakfast and lunch are free every day
- 2nd grade website is https://www.spps.org/domain/237
