

Dear Families,

# Curriculum Night

## Here's what's happening this week:

**MATH:** Addition and Subtraction Within 20

**READING:** Non-Fiction Text Features

**WRITING:** Non-Fiction Features Seahorses

**PHONICS/WORD WORK:** Matching Sound with Symbols

**SOCIAL/EMOTIONAL STUDIES:** How Do We Learn?

**SPECIALISTS:** PE, S, PA, M

**We hope to see some of you at our Curriculum Night this week on Thursday from 5:30-7:30.** We will have three different

sessions of approximately 30 minutes each in order for families with multiple children at SAP to attend.

Focus this week is on elements of non-fiction (factual information, diagrams, labels, complete sentences and more). They will be covered in our shared reading of Seahorses and through different graphic organizers. We'll also be practicing the comprehension

skill of generating questions during reading by using a **K-W-L** (what we **K**now-what we **W**ant to know-what we **L**earned) chart.

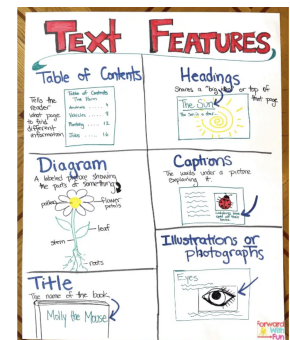

In math more strategies for comprehending and questioning addition/subtraction through number lines and diagrams will be provided.

**Please send back signed Bus Safety contract, return school iPad chargers, send tennis shoes for Phy.Ed., update iUpdate, check Home folders each day, and read 20 minutes each night.**

All the best from *Team Two!*
