Course Description:

Spanish 1A meets every other day and is equal to the first half of Spanish 1. We will focus on reading, writing, listening, and speaking through units 1-3 of level 1. Topics include asking/answering questions in Spanish to exchange information about self, clothing, weather, schedule, and countries and regions of the Spanish-speaking world.

Formative assessments and activities are everyday assignments and activities that are used to inform how students are progressing within the unit of study. Any homework will be included in the formative assessment category.

Summative assessments and projects are typically given at the end of each unit or major section within a unit. There will be many types of assessments and projects, not all will be tests.

Course Objectives:

- To comprehend spoken Spanish.
- To speak in Spanish using good pronunciation.
- To comprehend materials written in Spanish.
- To write to communicate in Spanish.
- To compare and contrast student culture with perspectives found in the Spanish-speaking world.

MYP Levels of Achievement: Hidden River is an IB-MYP (International Baccalaureate Middle Years Programme) school. All assignments will be graded based on a level of achievement. These levels are: 1-2 limited, 3-4 adequate, 5-6 substantial, or 7-8 excellent. These levels will be reflected in Schoology and are meant to show improvement throughout the year. Sometimes, assignments are meant for a quick check-in and will be graded based on 2 points, for completion. 2=complete, 1=partially complete, 0=incomplete.
