

Adopted: 1974
Revised: 6/17/2008

Saint Paul Public School Policy 719.00

719.00 FOOD SERVICE

1. The District shall take part, as feasible, in the National School Lunch and other food programs which may become available.
2. The Superintendent shall establish rules, regulations and procedures regarding participation in programs for free and reduced-price meals and supplementary food.
3. The anonymity of children receiving free or reduced-price meals shall be assured and no child will be discriminated against because of race, color or national origin.
