

April 15, 2020

Humboldt families,

Just a reminder that we, the Humboldt Staff, are here for you. This is a challenging time for everyone and we're all embracing NEW day to day learning and living. If you or your students have questions or concerns please do not hesitate to reach out. We are just on the other side of the computer/ipad. We can be reached by phone, email, facetime, skype or any other media if you have questions and need help. We miss you all and we're thinking of you and your families.

Dulce Meza-Family Liaison

### **Message from Principal Sodomka**

We hope you are managing during our COVID-19 quarantine. We are working to provide your child with an engaging and rigorous distance learning experience. Included in this message are updates about next week's food distribution and our virtual library tools and more to help navigate our new reality.

Please be sure your child completes their **Daily Connect** on Schoology every day as we are using that to document attendance.

As a building, we are working to limit our direct calls to families to one person so we don't overwhelm you; the primary contact person is usually the student's advisory teacher or other caring staff member. We want to support you; [here is a link to our staff's email](#) if you'd like to reach out to a specific person.

Graduation plans have not been finalized, we sought input today to share with the District so we can recognize our seniors. All graduates will receive caps, gowns, diplomas and covers, the how, when and where has not been determined.

Finally, though it has been cool and snowy these past few days, please put a coat on and get outside.

The fresh air and exercise brightens your day even when it's cold.

Breathe deep and stay healthy,

Mike Sodomka

Principal
