

La classe de Mme Rivard

3/19/23

It's conference week! I'm looking forward to meeting with you. There is no school on Friday.

Even though it asks to do it on the math homework page, DO NOT send 3D shapes to school.

This week

Language Arts: Students are in the process of writing their "how-to" book.

Math skills: We're learning about 2D and 3D shapes.

Social studies: History unit, then and now

Specialist for the week: Phy. ed.

Tuesday: Science

Wednesday: STEM

Library: Tuesday

**Homework due date for the week
(tentative-math homework is usually due
on the next day)**

3-20: Math 7.3

3-21: Math 7.4

3-23: Spelling practice sheet for the sound è-ê

**Important information regarding our field
trip to the History Center on March 30th.**

Make sure your child gets to school on time as we will be leaving the school around 9:40.

The fee is \$16. You will be able to pay online shortly using this link (after Tuesday-preferred way of paying):

You can also send cash or write a check to LNFI.

Let me know if you can't afford to pay for the field trip. Donations to help pay for the field trips are always welcomed.

Here is the list of students who ordered a school lunch. If you didn't order a school lunch, make sure to send a home lunch to school with your child:
