I hope the students will come back rested from Spring break as many were getting very tired. Make sure they go to sleep early on Sunday evening.

We need host families for our interns next year or we won't be able to have interns

Please, consider hosting an intern next if you have enough space. Click on this link to find out more:

fais – to do/make (fay)

sais – had (ah-vay)

Bonus words

la neige – snow (nei-guh)

la reine – queen (rei-nuh)

The spelling test for these words will be given on Friday, April 14th.

Appropriate clothing for outdoor recess

The weather is supposed to get nice at last! Students usually want to run around with only short sleeves, but unless the felt temperature is above 65°F, children should wear long sleeves (per SPPS guidelines). A warm winter jacket is too warm though. Layers work best. Make sure to check the weather in the morning to know the temperature for the day as it can change a lot from one day to another and send appropriate clothing for outdoor recess.

Dates to remember

April 21st: No school, professional development day for teachers

Merci,

Mme Rivard
