

The Heights 2023-2024

Family Engagement Plan AT A GLANCE

Reading Goal	Math Goal	Climate
The percentage of all students scoring proficient or higher in reading will increase from <u>25%</u> to <u>30%</u> by Spring 2024 as measured by the MCA III Reading Assessment administered in April, 2024.	The percentage of all students scoring proficient or higher in mathematics will increase from <u>20%</u> to <u>25%</u> by Spring 2024 as measured by the MCA III Math Assessment administered in April, 2024.	90% of students will take the school climate survey. Families will be asked for input in a fall and spring survey.

The Heights Community School will provide families:

- * a welcoming environment that promotes communication; identifies barriers that prevent racial equity; works with families as their children start and leave our school
- * a partnership that shares responsibility for student success; opportunities to build connections to school and each other; meetings and events available to every family; opportunities for parent leadership and advocacy; the foundation of parents' information and skills for becoming more involved in our school
- * information about student achievement in multiple ways; engagement in Personalized Learning; before and after school enrichment and support opportunities for students
- * community partnerships for additional support for students' success; opportunities to build connections to school and each other; meetings and events available to every family; opportunities for parent leadership and advocacy; the foundation of parents' information and skills for becoming more involved in our school
- * information about student achievement in multiple ways; engagement in Personalized Learning; before and after school enrichment and support opportunities for students
