PreK Parents

**PreK Fall Family Day
Wednesday, Oct 25th
7:30-8:45am**

Fall Family Day promotes *families' ownership* of their children's school, engagement in their children's education, and child and family wellness by bringing families together in *relationship* with *one another*, and with their *children's school, teachers, and other staff*.

Families will be able to:
*See a typical day in the classroom

*Meet staff and other adults

*Share ways to help PreK students learn

* Learn about Family Engagement:
PTA, Volunteering, Title I Annual Meeting

Office Hours 7:15am-2:45pm

7:15 Cafeteria opens for FREE Breakfast to Go

7:30 All students must be in their classrooms or they will be marked tardy.

Please, always use the Attendance Line to call in an absent student!
(use even during regular school hours!)

651-744-2273

The Attendance Line is Available 24 Hours a Day/7 Days a Week!

Classroom Celebrations

We promote food-free classroom celebrations. Due to food allergies and dietary food restrictions, we will not be allowing cupcakes or sweet treats to be shared with classmates in ALL classrooms at The Heights.

Ask your teacher for an approved snack list. Please see our family handbook for more information on our website at: <https://www.spps.org/domain/13882>

iUpdate

Complete Your iUpdate

Families should complete their annual iUpdate for each student to ensure SPPS has your current contact information and other required forms on file.

Visit [spps.org/onestop](https://www.spps.org/onestop) to complete yours now.

EDL (Extended Day Learning) Information

EDL begins October 24, runs Tuesdays and Thursdays, and is available for 3-5th graders to apply.

Students will have a snack, enjoy active play and 4th and 5th graders have the option to take instrument lessons.

Students will need to be picked up from school after EDL at 3:45.

Testing Information

Dates and deadlines have been set for the 2023-24 Cognitive Abilities Test (CogAT7). This test determines student eligibility for accelerated services in Saint Paul Public Schools.

The CogAT7 test will be provided to all SPPS students in kindergarten and in second grade between October 9 -November 9.

Students in grades 1, 3, 4 and 5 may also be nominated for this assessment by an SPPS staff member, family member or community member.

Please email stacy.klage@spps.org if you would like to nominate a student as soon as possible. **The deadline for student nominations is October 20th.**

If you would prefer that your student not participate in the CogAT7 testing, please provide a written note indicating that choice to Principal Moeller.

School Attendance Matters

On Time. Every Day. Every Class.

It is important for students to be in school the entire time that school is in session.

All students should be in their classroom from 7:30 am until their teacher dismisses them at the end of the day at 2:00 pm.

Tardy students and students that are picked up early are distracting to the entire classroom.

Students leaving early may miss last minute instructions given by the teacher.

To avoid being referred to the School Attendance Matters Program do not pick up your child(ren) early from school unless:

- *they are ill
- *they have a medical/dental appointment
- *there is an extreme family emergency

Parents/guardians **MUST** communicate **every time** a child is absent. Please note **not all absences will be excused.**

Call in or send a note to the main office, state reason for absence. Be specific.

Documentation may be required to excuse these absences.

Parent Reminder

Parents please remember that if your child has had a fever (over 100.4 degrees), diarrhea or vomiting;

please wait

24 hours of symptoms free and NO medicines given before you send your child back to school.

Stay Healthy & Keep Others Healthy!

Cafeteria Information

Every SPPS family should complete an application for Education Benefits/Free or Reduced Price Meals. Not only does this help us identify families in need of assistance, it also allows the District to receive federal dollars for classroom programming. A new form must be completed each school year. Additionally, families who have completed an application and have experienced a change in household income or size are encouraged to complete a new application.

How to apply for free and reduced-price lunch?

- Applications can be completed online at <https://www.schoolcafe.com/spps>.

[Video Link: Parents SchoolCafe Eligibility Walkthrough](#)
Paper applications can be mailed to your home by request by calling Nutrition Services at 651-603-4950

The Fresh Fruit and Veggie Program runs October through April/May. Students at The Heights will receive a fruit or veggie snack on Tuesdays, Wednesdays and Thursdays.

Menus are available online only. Go to <https://www.spps.org/ns>, click on "view school lunch menus" and check out School Cafe, the online interactive menu! Families can view the menu for The Heights. It has a feature for parents of students with allergies to filter out the menu items containing each allergen. It also gives nutritional information and can help with counting carbs for diabetics. It's a great tool for parents to help educate their kids about their allergies!

School Counselor News

New Staff

Greetings Families,

My name is Amy Robinson and I am the school counselor at The Heights. I love being here and working with students and their families.

School Counselor
Amy Robinson

I teach weekly lessons in all Kindergarten –5th grade classrooms. These lessons will focus primarily in the 4 areas of social emotional health, bullying prevention, college and career readiness, and personal safety.

In addition to whole school counseling, I work with small groups of students or on occasion individually on specific skill building for things like emotion management, coping successfully with anxiety, grief and loss etc. I also work periodically with individual students when it is needed.

Please contact me if you have any questions or concerns about your student.

Parent Support – Parents might call to talk about things like:

- "My child doesn't want to go to school in the morning"
- "I'm concerned because my child keeps telling me that he doesn't have any friends"
- "We recently had a death in the family, and I'm not sure how my child is coping"
- "My child's is very sad because her mother doesn't live with us anymore"
- "My child gets really frustrated doing homework, and nothing I say seems to help"

If you have any questions or concerns about your child that you would like to discuss with me, please feel free to contact me,

amy.robinson@spp.org or 651-744-2910.

I can be reached Monday – Friday from 7:00-2:30. If I am not in the office, please leave a message.

Ms. Amy Robinson

Greetings families,

My name is Rachel Fulin, and I am thrilled to introduce myself as the new part time general education school social worker here at The Heights Community Elementary. I look forward to joining this wonderful community of educators, students, and families.

I am here to in general be a helpful resource and provide a safe space for students to express themselves, navigate challenges, and develop essential life skills. Whether it's addressing emotional concerns, fostering positive relationships, or assisting with resources, I am committed to promoting a nurturing and inclusive learning environment where every student can thrive.

With a background in targeted case management and internship experience at a nonprofit, a child and family therapy clinic, and a mental health county agency, I bring a passion for helping families and young minds grow and succeed. I look forward to collaborating with teachers, parents, and students to ensure that every child's unique needs are met.

I am excited to be a part of The Heights Community, and I can't wait to get to know you all. Here's to a fantastic school year ahead!

If you have any questions or concerns about your child that you would like to discuss with me, please feel free to contact me, rachel.fulin@spp.org or 612-314-3337.

I can be reached Monday – Friday from 7:00-2:30 via phone or email. I am in the office Wednesday, Thursday and every other Friday. If I am not in the office, please leave a message.

Warm Regards,

Rachel Fulin
School Social Worker

Specialists' News

P. E.: Mr. Beason

Hello Heights School Families! Welcome to another great school year. In P.E. classes we are off to a very good start. We have been working on expectations and routines as well as getting our bodies moving again, after the summer.

We are currently working on our FALL FITNESS ASSESSMENTS and profiles in grades 3-5. Grades K-2 will be introduced to the 5 Fitness Assessments and practice them. In addition to the Fitness Assessments, we have been reviewing/playing previous learned; games and relays.

In K-2, we are really focusing on basic movement, listening skills and behavior expectations.

Also, in October, P.E. students will be working on flag football skills, soccer skills and more fitness skills along with our behavior expectations.

Each Friday, I give out 2 awards in every class that week. I call the recipients, "FRIDAY ALL-STARS!". Given for excellent, attendance, behavior and participation.

Have a great fall and get outside with your kids!!!!

Science: Mr. Welke

This year The Heights Community School is partnering with H2O for Life to make sure that students from around the world have clean drinking water. This year we will be raising money to help Mlandege Primary School in Tanzania Africa so that they can have clean drinking water at their school. In the month of October, we will be doing a school-wide challenge called "A Mile of Pennies". Our goal is to collect 84,480 pennies. When stacked end to end, the pennies will be one mile long! We are asking families to donate as many pennies as you can to help! Pennies can be brought in any day starting next Monday, October 2.

Music: Mr. Anderson

Hello Heights Families,

Welcome back to another year in music! My name is Jared Anderson. I am your student's music teacher this year. I am in my fifth year of teaching, and I am looking forward to working with all these talented young artists. I hope some students are looking forward to some of the new things they will be learning this year in music. EDL will be starting soon, and students will have the opportunity to learn wind band and orchestra string instruments after school. I look forward to working with the Heights Community this year and hearing those great voices sing.

Have a great Fall!

Mr. Anderson

Art: Mx. Rosno

Hello Heights Community!

Our first Art project is up in the hallway! Students were asked their favorite way to learn and to draw a symbol for it. Many students chose learning by doing, reading, hearing, or seeing and drew hands, eyes, ears or letters to present to the school in a final colored pencil drawing. Our next drawing projects will be how to draw skeletons, realistic humans, and how to design clothing and costuming, just in time for trick or treating! Kindergarten students have been practicing their acting skills by standing up in front of an audience and introducing themselves, doing an impression, and taking a bow! Please give them a round of applause!

Cherry USA Catalogue Fundraiser

Our Fall Catalogue Fundraiser starts Oct 7th. With your help we will be raising money for programs not currently funded through traditional means. The funds we raise will be used for teacher appreciation that allows them to purchase additional materials for their classrooms. This helps them enrich every student's experience!

Students should have brought the home the packet with all the details for the Cherry USA catalogue fundraiser. The fundraiser starts Oct 7 and ends Oct 24.

Online orders ship directly to your customers; however, you may want to combine all your customers on one order form to take advantage of the "Free Shipping on orders over \$75!" and have all items delivered to one address.

The ID is: HC1222

Thanks for participating!

Message from the school:

Our school creates a caring learning environment through partnering with families and the community to ensure each scholar has the best learning experience. The core curriculum is enriched with classes in science, music and physical education. Students are supported through multilingual learning, special education and our Extended Day for Learning (EDL) after-school program. Other learning activities designed to meet the needs and interests of students include many clubs and competitions: Lego League, chess club, dominoes and DestiNation Imagination. Located in a quiet community on St. Paul's East Side, our colorful school offers remarkable opportunities for all.

The message above is provided by the school and has not been verified by the Minnesota Department of Education.

This school has been prioritized for comprehensive support because at least one of the following groups' multi-year average was below performance thresholds on at least one indicator per stage in each of the last two identification cycles: students receiving special education services

For more information about these designations, see the [School and District Accountability](#) page of the MDE website.
