

## PTO Meeting Agenda/Minutes October 19, 2021

### 1. Welcome

- Parents introduced themselves and shared their kids' names and classrooms

### 2. Centennial Project Review

- There are three main events planned to celebrate Groveland's 100 year anniversary:
  - Kick off event – already completed
  - Fundraising party for early February
  - Pandamonium
- The committee is reaching out to alumnae and teachers for engagement.
- The committee has spent the last 6 months thinking about a legacy gift – and after discussing with teachers and committee – landed on an outdoor classroom. Here are a few things regarding the outdoor classroom:
  - It is considered a capital improvement and needs to be worked through the SPPS District
  - Requested 2 proposals from landscape designers which includes a structural plan – and based on this plan, the next steps will be to build a budget and then take it out to bid
  - Hope to break ground this summer
  - The first proposal is \$3500 and currently waiting on a second proposal

### 3. Budget Addition

- The committee is asking for an additional \$3000 to cover the cost of these bids
- A motion was made and seconded to allocate an additional \$3000 from the PTO budget for this legacy gift. Motion passed with a unanimous vote.
