

### Table 1: Graduation Requirements

Credit Requirements	Notes Important: each semester class is worth two credits.
English: 16 credits	Freshmen must enroll in either L402401 or L432411. Sophomores must enroll in either L402511 or L432511. Juniors and seniors must pass 4 credits each year. Please see the English section of the catalog for choices.
Math: 12 credits	Math credits must encompass Algebra I, Geometry and Algebra II. Freshmen, Sophomores, and juniors must take a minimum of 4 credits per year.
Science: 12 credits	Four physical science credits, four biology credits and four credits in chemistry or physics are required.
Social Studies: 16 credits*	<p>Social studies requirements must encompass state standards in U.S. History, Geography, Government and Citizenship, World History, and Economics. Please see Social Studies section of catalog for details.</p> <p>* For the class of 2025 and beyond, Human Geography will be reduced to a one semester course and students will have to take an additional required one semester course: Critical Ethnic Studies.</p>
Arts: 4 credits	Acceptable courses include Art Department offerings or visual, performance, or media arts classes. Course numbers that meet this requirement begin with the letter P or V.
Health & Wellness: 2 credits	Sophomores are required to take G407111 Individual and Community Health.
Fitness & PE: 2 credits	Students are required to take one PE class.
Family & Consumer Science, Industrial Tech, or Business: 2 credits	Choose from classes that have course numbers beginning with the letters B, F, or T.
FOCUS, Frameworks & Finale	Freshman, Junior, and Senior students are required to complete unique Johnson High School courses designed to prepare students for high school life and beyond.
Senior Project	Every senior at Johnson High School is expected to complete a Senior Project. See Appendix C for more information.
World Language: District recommends completion of Level 3 at minimum	Johnson strongly recommends that all students complete 12 credits (6 semesters) encompassing at least Level 3 in a World Language.
Post-Secondary Plan	Saint Paul Public Schools uses Xello to guide each student to develop a personal post high school plan. Students work on this plan throughout all four years of their high school education. If you have questions regarding your post-secondary plan, see your school counselor.
