

Building Construction Project

Adams Spanish Immersion's school building is being remodeled!

What changes will the school have?

- New two and three-story additions to the current building will make room for new learning spaces to better accommodate the current student enrollment; and new cafeteria and kitchen
- New playground
- Upgraded play field
- Improving the parking lot

When will this construction project happen?

- February 2017: Construction begins
- December 2018: Project completed

Will students still be able to attend the school during construction?

Yes! School will be conducted as usual during construction.
