

Building Construction Project

Como Park Senior High School's building is being remodeled!

What changes will the school have and when will this construction project happen?

- The athletic field will get new artificial turf and more lighting

May 2017: Construction begins

Fall 2017: Project completed

- Two building additions will allow for 100 more students and additional, bigger learning spaces

Fall 2017: Construction begins

Late 2019: Project completed

Will students still be able to attend the school during construction?

Yes! School will be conducted as usual during construction.
