# **READERS WORKSHOP**

This quarter, we will be reading novels from the Fantasy genre. We will continue to focus on characterization, conflict, setting, and themes in our books. Another layer that we will be analyzing and discussing in this unit is that of archetypes and stereotypes.

It is important that your student is reading a FANTASY genre book during this unit, as all of our work relates directly to this type of text. Examples of books are pictured to the right.

Any time remaining at the end of the quarter will center on poetry.

## WRITERS WORKSHOP

This quarter, we will focus on writing stories in the Fantasy genre. Students will follow the plotlining structure of writing (characters, setting, rising action, climax, falling action, resolution, and theme). See the plotline example to the right. Students will be creating fantasy characters and events, describing adventurous conflicts, developing characters, adding dialogue, and embedding themes within their writings.

Any time remaining at the end of the quarter will center on writing poetry.

# **READING AT HOME**

Reading at home for 30 minutes each day is a continued expectation for 6th grade students. There is no shortage of reading material available to students. In addition to physical books, students have access to multiple apps on their iPads with digital books. All reading logs and login information are linked in Readers Workshop classes in Schoology for students. Please be encouraging students to work toward this 30 minute reading goal each day as it will help to improve comprehension skills and boost testing scores.
