

News from First Grade

September 22, 2023

This Week

- **Skills/Reading - We learned rituals and routines for skills and reading time. We also learned to build our stamina for reading longer and deeper. I have started assessing student on their letter names/sounds and reading.
- **Writing - We wrote and have published our first piece of writing about ourselves.
- **Math - We had taken the growth measure for beginning of the year and have started our first lesson in our new math curriculum!

Specialist

Week of 9.26, 10.2, 10.9 - Art
Mondays and Thursdays - Phy. Ed.

NOTES

Hello Families!

We have completed our third week of school! Amazing. Students are getting more comfortable with each other, learning each other names and learning rituals and routines in first grade.

This week I assessed the students on their math skills and have started their reading/letter names/sounds assessment.

Families, we are in desperate need of more TISSUE or KLEENEX. We have a quite a few students who are having runny noses. Please consider donating 1 - 2 boxes of KLEENEX for our class. Thank you.

I am sending again the SEESAW SIGNUP sheet for families that still have not signed. Please sign up so you can stay connected with your child and me!

Let me know if you have questions!

-Ms. Lee

UPCOMING DATES:

Monday, 9.25 NO SCHOOL for students - HOLIDAY YOM KIPPUR
Friday, 9.29 SCHOOL WIDE ASSEMBLY in GYM at 3:00
