Summer Days

The Heat of the Moment

What is the best time of the year? Summer vacation of course! After a long, grueling school year there is finally time to loaf around with your friends or visit interesting places.

Keeping your feet firmly planted on the ground, you might have noticed Humboldt students flying around. Just when you thought it was safe to fly! Speaking of flying HHS students turned up in some great places world wide, like Mexico, Florida, and their cabins.

If you just couldn't stand being away from school there

was plenty to do. Night Moves was a popular place for basketball players and volleyball players, and the band went on a summer trip to Cedar Point Amusement Park in Sandusky, Ohio. Some students went to Art Camp at Gustavus Adolphus, Business Camp at St. Olaf, and our dedicated yearbook staff attended camp at St. Scholastica in Duluth.

Whether beach or mountains, parties or talking on the phone, summer vacation had fun and freedom written all over it. It's the ultimate stress relief.

Students at Work

Trying to Earn a Buck

What did you do over the summer? Some students were hard at work at places like McDonalds, Dairy Queen, Taco Bell, Target, Menards, Pannekoeken & even Fanny Farmer. They're great places

to earn extra money and a good experience that teaches responsibility. So, if your parents are constantly complaining about having to pay for everything. You now have a solution, get a job!

West Side Current Events

Community mourns...

Pedro (Pete) Castillo, a dedicated community activist and Humboldt graduate, died of a heart attack on Thursday, July 7. Castillo was a board member of the West Side Citizens Organization (WSCO) and spent many years working with troubled youth for the Neighborhood

House against gang violence.

His devotion was well noted among Humboldt students. Paula Warren, a senior, said "Everybody looked up to him and respected him greatly. He will be missed." Pictured left is his son, Daniel who is wearing a t-shirt in memory of his father.

Ecology art...

Our community now has a giant mural that features ethnic themes. It is located on the building that houses WSCO. The artist of the mural, Armando Gutierrez and Teens Networking Together (TNT) were there to officially dedicate it on Sept. 17, West Side Pride Day.

Same Time... New Year

The first week of school seemed, as always, very long. Trying to get back into the swing of things was not easy. It was the begining of a year to say goodbye to the Class of 1995, and wish them luck to find their life long dreams, and to welcome the new Class of 2000.

Coronation

Remember the Royalty

Homecoming King Mike Sontoya and Queen Leti Fuentes were crowned in front of a cheering student body at the annual coronation on Monday September 19.

The King and Queen were chosen out of a court including: Jason Matters, Ricardo Tototzintle, Joe Silva, Dara

Savandy, Illiana Cantu, Sara Lozano, Lisa Sontoya, and Angelica Ruiz.

The crowing of homecoming King and Queen is traditionally the beginning of the spirited week festivities. Spirit could definitely be heard by King Mike Sontoya, who said to the crowd, "Let's get all hyped up this year. "

Spirit Week

The Spirits in Motion

Homecoming week at Humboldt is traditionally an exciting and eventful time for students; this year was no exception. Students spent the week getting hyped up for the game against the Como Park Cougars on Thursday. The Pep Rally was a riot for the seniors, who all be-

came royalty wearing Burger King crowns. The rally ended with a very competitive year cheer and a crowd of rowdy students ready for the big game. The week ended with an action packed game. The team played hard but ended up with Como winning 18-6.

Band

Spirit Plays On

It's not unusual to see the Humboldt High School Band marching through the parking lot or around the football field, and to hear various songs, ranging from "Tequila" to "Phantom of the Opera", echoing through the halls. The band members worked hard all year to make sure that they stayed at their peak performance.

This year the band began drilling during the

summer heat knowing that the long hours and sweat would pay off. The band had a year's worth of successful experience under their belt such as many concerts and performances. The student musicians made the concert season what it was through their hard work and dedication to music. The '94-'95 Band did an excellent job that everyone should be proud of.

Girls Swimming

Making Waves

The girls swim team stroked through troubled waters this season. The swimmers this year were young and unexperienced, but their dedication, skill, and team unity made the Humboldt swim team a constant contender. This factor brought encouragement to the whole team, and next year they will be back with more speed.

The boys varsity soccer team worked hard this year. Scoring, defense, but mostly improvement is what they strived for. The team learned valuable lessons within the conference,

while playing more experienced teams.

With the help of their new coach, the '94 team has laid the foundation for a successful boys soccer program in the future.

Making History

This year's girl's soccer team improved greatly, they learned how to work together and communicate on the field. The beginning of the season was filled with disappointment, but the team pulled together, and came up with the first girl's

soccer win in Humboldt history.

They then went on to win their first conference playoff game against Highland 1-0, but were removed from playoffs after their loss against Cretin-Derham Hall. Congratulations on a great season!

Adapted Soccer

We are the champions!

The adapted soccer team had a fine season of growth and skill development. The Junior Varsity team competed both inter-scholastically with other Junior Varsity adapted soccer athletes, and in the State Special Olympics Soccer Tournament. The Varsity team worked hard, ending the season undefeated (5-1-0), and winning the St. Paul Championship against North Suburban. All-conference awards were given to Mike Munoz, Chuck Rosseter, LueAnn Leo, and Ray Belland for their outstanding play efforts and excellent sportsmanship. Executive Boards

A Cut Above the Rest

The Junior and Senior Executive Boards led a very productive and exciting year, making many changes and getting a lot done.

The Seniors were mainly in charge of organizing and preparing for graduation. They were in charge of fund-raising for a gift from the Class of '95, caps

and gowns, announcements, and many other things.

The main goal for the Junior Board was to prepare the 1995 Prom, a farewell gift from them to the graduating class. The board was a new organization this year, and made many changes in the way the event was organized.

JROTC

In the Army Now

Something new has come to Humboldt this year, JROTC. An army class that teaches us leadership, discipline, self-confidence and achievement. The class is run by Colonel Kriesel and Sergeant Henderson, with the help of Coleman McDonough. Uniforms are worn on Wednesdays, and during inspection, formal gatherings, and

promotion ceremonies. The four companies are named Alpha, Bravo, Charlie, and Delta. The students in JROTC have the opportunity to participate in interesting activities, such as a trip to camp Ripley, Holman airfield, or even ride in a fighter plane. This program has brought a new attitude of respect, honor, and a change a for the future at Humboldt.

Fall Play

Acting Up

The fall play, led by new director Dawn Reed was a stage success at Humboldt. The play was titled, "Night Of January 16th", and was a good time for both cast and crew members.

Many hard working hours were devoted to the production of this murder mystery trial written by Ayn Rand. Wacky characters ranging from tough gangsters to rich old men came to life in the

Humboldt auditorium. Actors and actresses enjoyed the challenge of making their characters real. Those who were not on stage for production helped with directing, lights, technical work, and scenery. Many rookie Drama Club members gained experience and knowledge with the play, and said they couldn't wait to be in future productions.

Congrats, Drama!

Math Teams

A Bunch of Squares

Junior and Senior High teams worked hard this year, preparing one or more times a week for the crucial meets. They practiced problems that they knew would be similar to ones in their events, and had a good time solving math problems.

Meets were an experience to be remembered.

You never could tell what would happen. Sr. High coach Diane Schroeffer said, "I think we surprised the world when we came in second at the 1st math meet, I know we surprised the other St. Paul schools. It was truly exciting." Win or lose the Math Team added up to something great.

Student Council

Behind the Scenes

This year, Student Council was everywhere. The Junior and Senior High groups worked hard to help other students and the school.

In the Senior High, members were busy. As well as selling candy and supplies in the bookstore, they were in charge of organizing Sno Daze and Homecoming. They helped their community by organiz-

ing a canned food drive in the fall, and were members of the student organization SADD.

The Junior High student council had it's share of work, too. Organizing fun activities for younger Humboldt students, like Hol-i-grams at the Holidays and a book drive. These activities helped to prepare students for a future in the Senior High Council.

Yearbook

Life Under Pressure

The Yearbook Staff came together at the beginning of the school year in a flurry of activity. Photographs needed to be taken; team, student, action and candid pictures needed to be arranged. Designing layouts to be transferred to the computer took time and talent.

Meeting deadlines, one after another, yearbook staff

puts in many hours getting the job done. The delivery of the finished book is greatly anticipated by all anxious to open up the history of 1995. The Yearbook Staff enjoyed working together through teamwork and cooperation, they gave Humboldt a new look and a book to be proud of.

Life by the clock

Time Flies When You're Having Fun

un-der-class (un' der klas), n.l.. freshmen, sophomores, or juniors in a secondary school or college.

Sometimes life can seem like one long line, everyone waiting their turn. School days are filled with waiting for things to happen: getting books, handing in papers, uniform fittings, seating charts, practice and more practice. When

will it end? Juniors wait to be seniors, and everybody else is looking forward to the next year when they can advance another grade.

One sound underclassmen especially like is the ring of the bell at the end of the school day when they can head out the door. But wait--what about that crazy alarm clock waiting to ring for them tomorrow morning, beginning the school day all over again.

Getting Through

"There are a lot more students this year and classes seem to be much harder. I look forward to being a junior next year because then there will be just one more until I graduate."

-Jake Kincade

"More opportunities are open to us this year. We are able to take more classes and learn more about planning for our future."

*We've walked so far together.
We've grown so very close- But
yesterday became today and we
are on the verge of tomorrow,
Where we must go alone to find
the dreams we all dreamed
off--together.*

A Moment to Remember

A Picture Says a Thousand Words

sen-i-or (sen'yer) , adj. 4. (in American schools, colleges, and universities) of or pertaining to students in their final year or to their class.

The senior year of high school brings about many important changes and decisions for students. Several activities need to be planned in order to prepare for graduation. One thing that seniors look forward to is having their senior portrait taken. Shown above is

student Jennifer Lynch. She was one of the many to schedule an appointment at the official Humboldt photography studio, Dellarsons. She admits that it was an eventful moment. "I was pretty excited," she said. "It's something that you look forward to during all of high school. You see others' senior pictures as an underclassman and it makes you really eager for your time as a senior."

Remember the Beginning

gaa... gaa... goo... goo.....

in-di-vid-u-al-i-ty (in'de vij' oo al' i te'), n.l. the particular character, or aggregate of qualities, which distinguishes one person or thing from others.

LET'S TALK BABY TALK, BUT NOT FOREVER!

No two of us come into this world alike.

Our thumbprints like our individual personalities are like no others.

We develop and mature into the special people who we are.

We come together during our years in school sharing common bonds which in this process brings us together to make up the Senior Class of 1995.

Now it is time for our joined paths to separate as we go off into the future.

LET'S TAKE A MOMENT TO LOOK BACK TO WHERE WE ALL BEGAN.

goo... goo... gaa... gaa.....

Stuck in the Middle

Hackee Sac or Hit The Books

jun'ior high' school', n. 2. either of two schools, one (junior high school) corresponding to the upper grades or grade of the ordinary grammar school together with one or more years of the ordinary high school.

Sound confusing or out of the ordinary? That's life in junior high school. Junior high students feel like they are stuck in the middle between elementary and high school, and sometimes life

feels like it's on hold. Seventh-graders can pick from a variety of courses, and change rooms for classes for the first time.

Eighth graders start to get anxious to move on and the Senior High begins to look more familiar to them. They can often be found hanging out in the newer part of the building with their older friends.

Catch the bus, get to class, pick stuff up at your locker, get back to class, and catch the bus.

Faculty

The Powers That Be...

Humboldt faculty, like a family, see their students grow, learn, change, and then graduate into the world on their own. They hope that each student achieves their life long dreams. Our

faculty come together each day to work for student success and expand their educational horizons. Although seldom shown, the students at Humboldt appreciate their hard work.

Students at School

Making the Grade

Whether we love school or hate it, we've got to make the most of our time. To prepare for our future, to work towards graduation, or to just have fun, students engage in a

number of activities at Humboldt - from Automotive to Social Studies and from Child and Parenting to Montessori.

So what do we do?...

West Side Current Events

Community Celebrates

The annual celebration of West Side Pride Day was held on Saturday, September 17th. Humboldt Students and West Side Citizens gathered to celebrate, participating in activities like the traditional parade, parties, and activities for children, as well as watching the Humboldt

football team play Highland Park at the Humboldt field. The parade was a festive event, with organizations prominent on the West Side marching along to the sounds of Mexican bands and cheering people. Wendy Quesada, a junior at Humboldt, was chosen as the 1994 Fiesta Queen. She and

other Pride Day royalty are pictured at left, waving to the crowds on a float in the parade.

All in all, West Side Pride day was another success. Whether you were a city council elect or a regular resident of the community, you were sure to have a good time.

Sno-Daze

A Majestic Moment

"Love was Alive" at Humboldt during the annual Sno-Daze celebration this year. The court was chosen out of 4-5 nominated students from each grade which included Lord Jose Ruiz & Lady Lina Calkins, Duke Russel Martinez & Duchess Tania Galaviz, Prince Jesse Tejada & Princess Wendy

Quesada, & King Dridge Johnson with Queen Melissa Sierra.

With a number of romantic theme songs, the coronation was an exciting event. Those not involved in the ceremony cheered on their friends and captured the memories on film. It was a majestic moment to remember.

Winter Fun

Love Is Alive In '95

Through sleet or snow, blizzard or ice storm, Humboldt students were able to survive the harsh Minnesota months without losing their pride, spirit, or spontaneity.

The annual Sno-Daze celebration was the height of pep during the dark months, and with the Sno-Daze coordinators (A.K.A. Student Council) to help them along, student body and

faculty dressed themselves up and down, danced the night away, laughed, and had a good time.

The week was kicked off with Hippie Day (although more students looked like Disco Machines than Flower Children), and ended with the students' favorite events—the coronation and the dance.

A good time was had by all.

Dedication was the main factor in the success of the '95 Hawks hockey team. Although the season was a rough one due to a small amount of players, the guys gave it their all, playing short, hard shifts without

time to rest. Returning players also brought experience and encouragement to the ice.

Spirit was seen at games in the cheerleaders and fans, who look forward to another great season next year.

Taking the Shots

The Boys Basketball Team had a tough year with only two returning seniors. Day after day they strived to become better- the effort and desire was constant. Coach Steve Elizondo said, "The relationships

among the players have been very rewarding."

Goals of Their Own

Thirty-eight girls from six Saint Paul schools were involved in one of the first girls Hockey teams in the nation.

Coach Jill Gebeke, varsity

player Kati Shapland, and Junior Varsity player Krista Garvie took advantage of this opportunity and gave Humboldt something to be proud of.

Jr. High Girls Basketball

Through the Hoops

Fifteen girls participated in the Humboldt Junior High Girls Basketball Team this year and each one of those players displayed tremendous effort and concentration on and off the court. The team played hard,

working together and giving it their all. They gave parents, coaches, and fans a season full of excitement.

The junior high girls had a season to be proud of, a season to grow and prepare.

“We had a great season. Coach Rhines and I were pleased with the team.”

Adapted Floor Hockey

They Shoot! They Score!

It was an exciting year for all adapted floor hockey teams, a year of hard work and many changes.

Participating students practiced their shooting and defense skills after school, preparing themselves for the season and for some great games.

It was the Hawks' first year of playing in the P.O.H.I. Maroon Division. Although young and inexperienced, the four-man coaching team, the parents, the fans, and the players themselves are

proud to say that their new team had a great, action-packed year.

Both the Varsity and Junior Varsity adapted teams had an up and down season, but admit that the 1995 season was expected to be a time for rebuilding and sharpening their playing skills for seasons to come. Much improvement was seen throughout the year, though, and we are sure that their goal was met.

Good luck next year, Hawks!

“We worked hard and cooperatively, and together, we learned to play the Hawks brand of hockey!”

-Coach Todd Jakober

Notable...

Our very own Mike Munoz was given the honor of being the St. Paul Pioneer Press Prep Athlete of the Week in mid-February. The star player said of the prestigious award "I feel fortunate that I have been able to play the sports that I love."

Way to go, Mike!
We're proud of you.

Chorus

Do Re Mi Fa Sol La

This year, the Humboldt Choir warmed their voices to sing and make harmonious and pleasant music under the direction of the new chorus teacher Ms. Jennifer Tesch.

Many concerts were

held throughout the year and a wide variety of songs were sung. They performed excellently. Ms. Tesch said she loved directing the choir and that her first year will always be very special to her.

National Honor Society

Making a Difference

The Humboldt chapter of National Honor Society was a proud group this year, leading students in community based fund-raisers and helping out the people of the West Side in any way that they could. They donated money to the Neigh-

borhood House, helped out at major school events, and tutored students during and after school, among other things.

President Yadira Garcia was heard saying, "I really enjoy NHS- It's very rewarding."

Debate & Speech

Can't Shut 'Em Up

Self-confident, outspoken, and educated were what people in the Speech and Debate Teams became through the help of each other and Advisor Mr. Steve Egyhazi. The teams took time out of their personal schedules to travel all over the state for tournaments and matches in which they did very

well, winning awards and recognition from other schools.

Mr. Egyhazi said of the successful teams, "They had a good time and learned a lot, all we need are some more good members!"

Underclassmen, that means you! Go get 'em!

Ethnic Clubs

Unity Within Diversity

In a school with a diverse and multicultural student body such as ours, ethnic clubs add to the experience and quality of learning for many students. Whether learning more about a foreign language or strengthening the bonds of our heritage on the West Side, ethnic clubs are an important addition to the Humboldt community.

The French and Spanish Clubs both increased their activities this year. Involvement in various fund-raising events helped them to plan field trips and even trips abroad for

students in foreign languages.

The Humboldt Asian American Club, through enthusiasm and hard work, planned dances, fund-raisers, and activities for all students at Humboldt. The African American Club had similar objectives, organizing their annual Kwanzaa Dance and other things. The Latino Club was slightly different, doing performances of their beautiful latin dances at various Twin Cities schools, colleges, and community events.

Humboldt is certainly one school with many traditions.

Share & Care

Lovin' Every Minute

The Humboldt Share & Care - Special Friends Program was outstanding this year, participating in events and activities that made a difference in many lives.

Students in the organization missed no school or classes. They received no grades, credit, or money. They practiced their leadership skills,

learned, had fun, made some new friends and demonstrated the "give-back" theory of being connected to the larger community. They represented themselves, Humboldt High, and positive teens making a difference.

We're proud of you, Share & Care!

Students At Play

You've Gotta Live A Little

It's a fact. Sometimes, we have to put down our pencils and relax. It's good for us, it reduces stress, and it's a whole lot more appealing than conjugating French verbs.

So how do we relax? Whether they are watching T.V. or playing basketball, Humboldt students found a way to spend their play time.

West Side Current Events

Community Gathers...

The Pangea sponsored Mall of Discovery was a smashing success again this year. The event, held here at Humboldt, is designed to provide a link between the four schools in the Pangea magnet (Riverview, Roosevelt, Cherokee Heights, and Humboldt), as well as to provide a fun place for the community to have fun together and create a common bond.

Each school was represented in an "Avenue" that they comprised of projects and

things that students had done that they were particularly proud of (Humboldt Avenue is shown at left).

For entertainment, students and community members sang and danced. The senior high gym was filled with games for children and adults. Delicious refreshments were provided by Humboldt clubs and organizations, and displays of all kinds decorated the halls.

A wonderful time was had by all.

Who's On First?

With a great group of players and a lot of team work, the '95 Humboldt Hawks ended up with a great season.

The varsity team won their first conference game in two years, and the "B-Squad Bombers"

highlighted the season with a 5-3 defeat over the Highland Park Scots. The 9th grade team cut down on physical and mental mistakes and learned how to work together.

Good job, teams!

Softball

Diamonds in the Rough

Humboldt softball teams got the bats going for the 1995 season, making for great improvement and competitive games. Varsity Coach Green was especially proud of her players; their dedication helped them to an unexpected

victory over Highland Park. J.V. Coach Olson boasted about his team's improvement as defensive players, and C-Squad Coach Hanson was equally proud of her small but eager team.

Golf

Up to Par

The stereotype of golf being a boring sport was not one held by the '95 boys and girls golf team members. Though often thought of as simplistic, golf isn't as easy as non-players would like to think. Humboldt golfers spent the season working on

their stroke, stance, and overall game. While they did not intimidate any of their opponents on the course, they did enjoy playing the game. Way to go, golf team members. A golf clap to you!

Great improvement was shown throughout the 1995 Track and Field season. The amount of first places and team points showed a higher increase than any team recorded in the past six years - they more than

doubled!

All team members were extremely proud of this achievement, with good reason. The grueling practices and enduring meets were definitely a challenge. Way to go, Track & Field!

Tennis

Is it Love?

"We had a great group of young tennis players who showed steady improvement each week. I was very proud," said tennis coach Gary Ales.

And why wouldn't he be proud? The Humboldt tennis team

finished fourth in the conference, and had an All Conference player, Jao Yang, to give it excellent play and leadership.

The team has a season to be proud of as well as a promising future.

Badminton

Watch the Birdie

Badminton may look like a simple sport, but in reality, it was a spectacular challenge for the Hawks '95 team. With a small but dependable group, players had to work hard, but ended up with a great year for improvement. With

experienced seniors helping the rookie birdie-pushers to improvement, it's no wonder the team has a season to be proud of, as well as better underclassmen for next year.

Humboldt Drama made a glorious comeback once again under the new directing team of Jennifer Tesch and Linda Helisek. The successful spring musical was a hilarious spoof titled Phantom of the Soap Opera, and starred many talented actors.

Top Ten Seniors

Notable Thinkers

As the literary genius and hero of our generation, Dr. Seuss, once said, "Oh, the places you'll go! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose."

Never has this been more true than with the Class of 1995. Featured

are the top ten seniors, young men and women who have worked their pencils to a stubble to earn the respect and honor that their position allows them. They should be commended for their efforts and for their achievements.

Give yourselves a pat on the back, top ten!

Prom '95

"Candy Rain"

Quite a few changes were made in the planning of the 1995 prom. The Junior Class Executive Board organized the event, scheduling the date, renting the hall and decorating.

The dance was held on May 13 at Galtier Plaza.

The location and the ambience were very elegant, and made all participants feel especially romantic.

Tickets started at \$30 a couple, and came with garters and champagne glasses. Everybody had a great time.

Off the Beaten Path

What did you do this spring? Learn new things, go to new places, meet new people? Many of Humboldt's students were making their rounds through the

state, nation, and the world.

For those of you who just sat around and watched TV, life's too short, get off the beaten path and go somewhere.
