  8. Finding your way to a new class.
  7. Having the candy machine take your money.
  6. Finding out that you have Saturday school from last year.
  5. Getting homework.

## Shuffled Together

When the road was long,  
We walked it together;  
When the road was difficult,  
We helped each other;  
When the road was joyful,

We remebered it forever;  
When the road is ours alone,  
We will go in love;  
When the road opens before us,  
We will begin separate lives.

## **Welcome Mr. Lucio**

Mr. Larry Lucio is the new principal of Humboldt Senior High School Complex. He's replacing Mr. John Ettliger who retired last spring after serving 40 years in the Saint Paul Public Schools. Mr. Lucio is a former Humboldt graduate. He has served as a counselor and administrator in the past at Humboldt. He recently worked as a middle school principal in Minneapolis. One of Mr. Lucio's visions is to change the junior high into a middle school model with grades six through eight. These changes and other improvements at Humboldt could happen by next fall. Welcome Mr. Lucio from all the staff and students at Humboldt Senior High School.

## **All Fun And Games**

School spirit comes out during the weeks of Homecoming and Sno-Daze. Activities on various days range from athletic events to comic dress-up days. Students participate in tricycle races, baby bottle, whipped cream pie eating contests, to Hat Day, 80's Day, Pajama Day, and Spirit Day. The dances and coronations top it all off at the end of the week. These activities make student life just a little more fun & exciting.

### Sno-Daze

There wasn't any snow falling outside but Sno-Daze was a big success inside. The week's festivities started off with the all popular pajama day. Many interesting pj's, robes, and slippers were a common sight. Tuesday was a party at the beach. Despite the arctic weather outside, students pulled out all those summer clothes and dared to wear them. Eventually though the sun went down, on Wednesday students sported their sports uniforms and jerseys. Thursday was a trip down memory lane with 50's day. Those "Happy Days" returned with poodle skirts and leather jackets. To top off the week students showed off their school spirit and seniors were easily found wearing the classic "I'm a senior, worship me" t-shirts followed by the annual pep assembly. The coronation and dance was held Friday night to bring an end to an exciting week.

## Play Your Cards Right

This year, an exciting event was put on by the Student Council, it was called "Ghost Out". It was a week that dealt with drinking and driving issues to help make students aware of the dangers and casualties involved with drinking. The hard work by the Student Council made it a meaningful week. Besides serious issues like MAAD, Humboldt's many clubs also contribute fun activities for students. Humboldt's associations and clubs offer students a wide variety of enrichment activities.

# SHARE & CARE

## Special Friends

### SHARE AND CARE

Share and Care Special Friends is a community service program where students volunteer their time and friendship to different age groups and different needs. They bring flowers, candy, singing, dancing, and friendship to whoever they serve. They do not receive any grades, credits, money, and do not miss any school. They just practice the art of giving and that giving is gaining.

Shown are the many places they visit. Above and left are students at Greening the Great River Park project, to the right is Riverview and Roosevelt Elementary Schools where they delivered holiday gifts, clothes, and toys, and students at Wilder Residency. Other places not shown are Little Sisters, Dunedin High Rise, St. Kates, Hoika House, and much, much more. Thanks for all the work everyone has done and to advisor Gary Ales.

## In Memory of Mr. John Ettlinger

Mr. John Ettlinger, a teacher, assistant principal and principal of Humboldt High School for more than 38 years, died December 30, 1995 at age 65.

Mr. Ettlinger, who retired in June, had a lifelong interest in sports, particularly hockey. He played goaltender in high school and college, and coached hockey at Humboldt until he became an administrator. He officiated for years at hockey, baseball, football, and volleyball.

He was not only known for his interest in sports but for being a big booster for Humboldt. "He was proud of the kids on the West Side and did everything he could to enhance the school and students' self worth," said his wife.

We are very thankful for all the work he's done for Humboldt and will miss him greatly.

**You Made A  
Difference-  
Thanks!**

**Mr. Olson, Health/  
Physical Education**

He reminded everyone continuously to "tell me if you see something that needs to be improved, tell the world about the good things." Mr. Ettlinger devoted himself to Humboldt students and the Humboldt community by always promoting what was good at Humboldt and working to improve.

Much Luck and Congrats  
to the Class of 1996!

The fastest, friendliest  
drive-thru service you can get without  
ordering a double-cheese.

Leave work, go to the bank, drop off the dry-cleaning, and be home before 6? You better have the right bank. A bank like Signal, where the only thing that's nicer than our tellers is the speed at which they work. Fast. Fast enough for you to wonder if you shouldn't have ordered fries to go with your deposit. So if you think friendly service would be nice at a bank, and fast and friendly service even nicer, stop by one of our offices. Or call us at 457-1776. But hurry, because like our clients, we're not used to waiting.

# Congratulations

*We entered Humboldt as shy, quiet freshmen, trying to find out who we were. The more that we became involved in school and activities, the more confidence we gained in ourselves and our abilities. As time progressed, we learned to balance and succeed in all aspects of our lives. The size and closeness of our school have enabled us to work together and achieve our respectable status. As seniors, we have become individuals within our group. We've overcome our faults to become models of success.*

*"The men and women who got to the top were those who did the jobs they had in hand, with everything they had of energy and enthusiasm and hard work."*

*-Harry S. Truman*

*The commencement ceremony for the class of nineteen hundred and ninety-six was held in the Roy Wilkins Auditorium on Wednesday, June 5 at 8:00.*

# A Word From the Editors

**Brenda Matters**  
**Editor-In-Chief**

**Jody Napier**  
**Computer Editor**

This year has been filled with many activities keeping my days very busy. Working on the yearbook staff as one of the editors, has helped me learn how to manage my time. With such a small staff deadlines are sometimes hard to make. I would like to thank all of the students who helped us meet the deadlines this year, for their hard work and dedication. If you like to take pictures, draw, or write, join the 1997 yearbook staff and put your input into next year's yearbook. It's a fun experience and a great way to get involved.

Working on the yearbook has been a fun, rewarding, challenging, and busy time. Through meeting deadlines, taking pictures, creating layouts, arranging team pictures, and spending some times 2 hours a day. Seeing the final version at the end of the year is definitely worth everything that we put in. I would like to thank Jody for all of the time and dedication she put in, and all of the other students who contributed to the book. We couldn't have done it without you! I urge everyone to join the yearbook staff next year, it's exciting and full of memories.
