Prime

TIME

Before catching the bus, Pang Nhia Yang wakes up at 5 a.m. She spends most of her time figuring out what to wear and adjusting her make-up. By seven o'clock, she's out and waiting for the bus to send her to school for another enjoyable day of learning.

PRIME TIME AT HUMBOLDT

On September 4, 2001, excited students entered Humboldt's Senior High doors. After the first few days of chaos; filling out yellow cards, switching classes, and waking up on time; everything eventually settled into a comfortable routine for the students.

Students arrive either by bus, on foot, or drive their cars, and are in class by seven thirty. There are seven periods a day. One of the special times of day is lunch. This is a great time for Humboldt's diverse population to come together, have an enjoyable lunch, and hang out with their friends.

Some of the new classes at Humboldt are Auto Tech and Choir. Many students are participating in these new classes. Besides new classes, students also stay after school for sports, clubs, and community volunteer activities.

Once again we're all together creating another year of fun memories that will become another part of Humboldt's history.

This is the *Prime TIME* of our young lives

What do freshmen think of Humboldt?

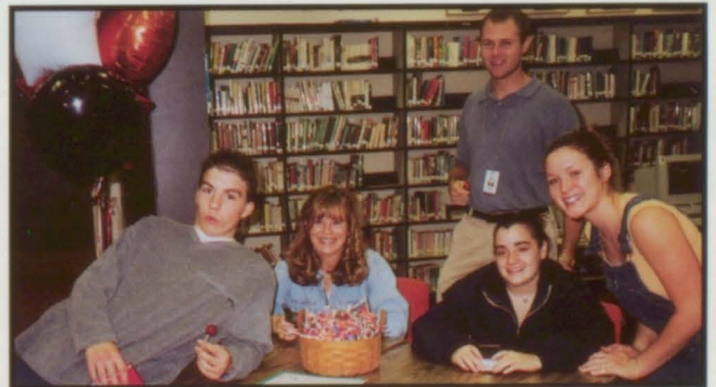

Michael Selix

"It's a good school. My brother came here so I decided to come here too. I like that there aren't so many fights here. Auto Tech is my favorite class because I like to work with cars."

Dominique Poquette

"I got here late in the year. It's an okay school. I like it because the students here don't really judge each other. My favorite class is Culinary Arts because it's fun and I like cooking."

HOMECOMING

5 Fabulous Couples

Student council held an election for Homecoming candidates. The following couples, shown above from left to right, were nominated as candidates. L to R; Vuthy Vor and Hue Yang, Liz Dittrich and Jerry Riopel, Erica Ruiz and Dimitri Herndon, Josh Riley and Alicia Mena, Ricky Ruiz and Rebecca Donaldson.

Candidates Erica and Hue smile with excitement as they are crowned by the Hawk mascot, shown below.

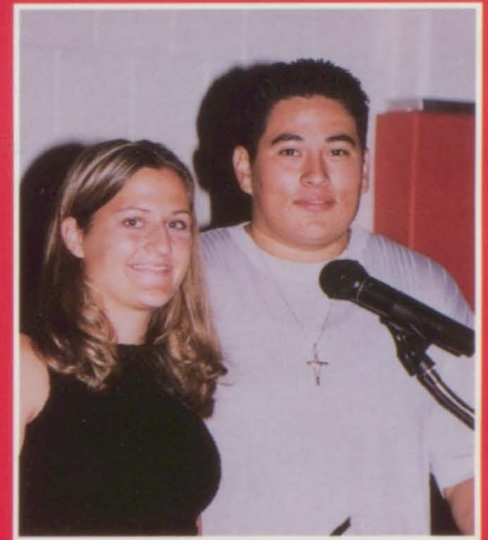

A Day To Remember CORONATION 2001

Coronation was held on Friday, September 21, in the gymnasium. Our student council worked hard setting up the gym, and did an amazing job. The candidates were all dressed in their finest, and walked up the aisle in elegance. The audience roared as each of the candidates walked up the aisle, making it suspenseful to know who the King and Queen were. The crowd waited with excitement as our Hawk mascot crowned our 2001 Homecoming King and Queen, Hue Yang and Erica Ruiz, shown above.

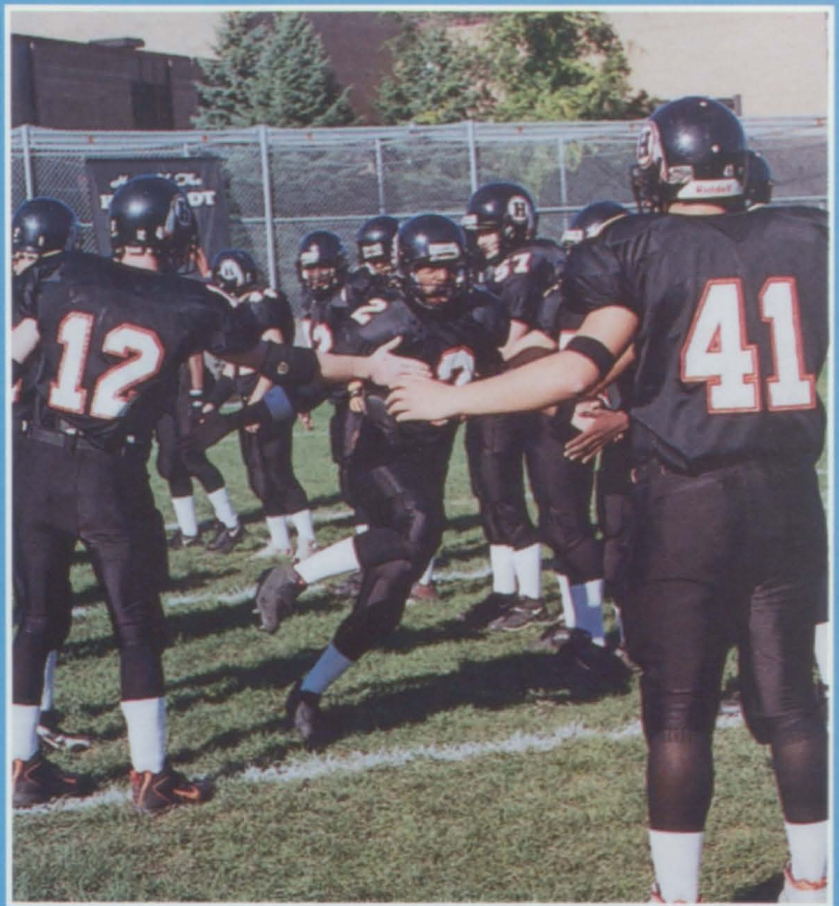

On page 6, left top row, the Queen candidates pose for a quick picture before the ceremony begins. Middle top, all the Homecoming candidates are shown looking their best. Right top, King candidates pose for their group photo.

Continuing on page 6 left bottom row; watch your eyes, as John Noyola takes charge of the lights. The crowd cheers as candidates Jerry and Liz walk down the aisle. Excitement built as each couple walked through the black and orange balloons, leading up to the final moment of Humboldt's grand coronation.

Master of Ceremonies Announcing the candidates are Jenny Harrington and Armando Luna, shown above.

Humboldt Hawks, shown right, are announced and are excited to play ball! The cheerleaders, shown below, stand for the Pledge of Allegiance. Seniors, shown below bottom, cheer and show their spirit at their last pep fest.

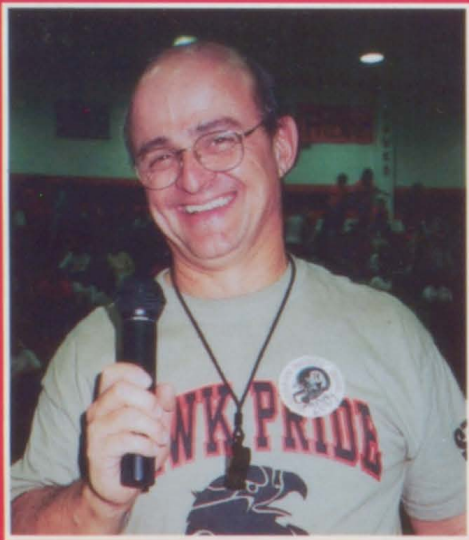

Let the Fun Begin!

HOMECOMING 2001

Humboldt's Homecoming game was held on Friday, September 28. Students and teachers were decked out in orange and black, and came to the game with school pride and spirit. The Humboldt Hawks played a great game against the Central Minute Men.

The Pep Fest was also held on September 28 in the gymnasium. Team Captains talked about their athletic teams, and showed their school pride. Then came the tug-of-war. Seniors defeated the underclassmen. Then came the final round; seniors against administration, which was close, but administration eventually defeated the seniors.

On page 9 top row left to right; students creatively show their school spirit with orange and black top hats. Team captains announce their teams. The band is ready to play. Bottom row, the crowd cheers for the final round of tug-of-war; seniors bottom left, and administration bottom right.

Master of Ceremonies

Mr. Kranz, the Student Council Advisor, coordinated the Pep Fest. He planned fun events for the students and teachers, including the tug-of-war. Shown above, Mr. Kranz introduces the Humboldt athletic teams. After introductions the fun and games began.

5 Fun Filled Days

Homecoming week was tons of fun! Students and administration went all out for the days of the week. Shown above left to right; It's another Monday morning, and students are ready for a nap. Put on your straw hats and overalls; it's Hill Billy Day. Wednesday is Dynamic Duo Day. Can you guess who this is? Friday is a day filled with school spirit, while students are excited for the game.

Friday night the dance was held in the senior high cafeteria. Student Council did a fabulous job with decorations. Bottom left couples pose for pictures, and danced the night away!

What Is Your Advice To The Senior Class?

Vuthy Vor advises her senior friends: "Stay in touch with people who have pushed you that certain distance. All you have to do is pick up the phone and dial!"

John Noyola's advice for the senior class? "You cannot escape the responsibility of tomorrow by evading it today."

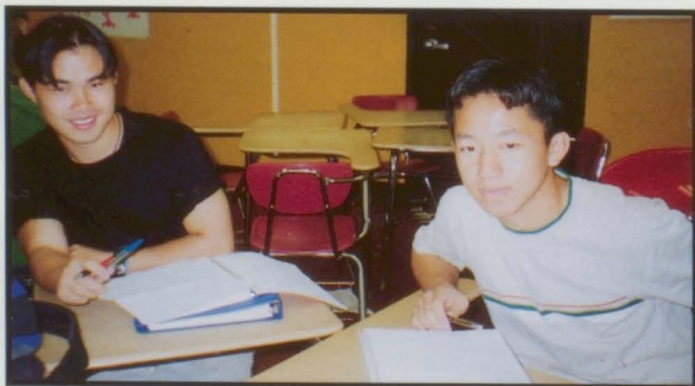

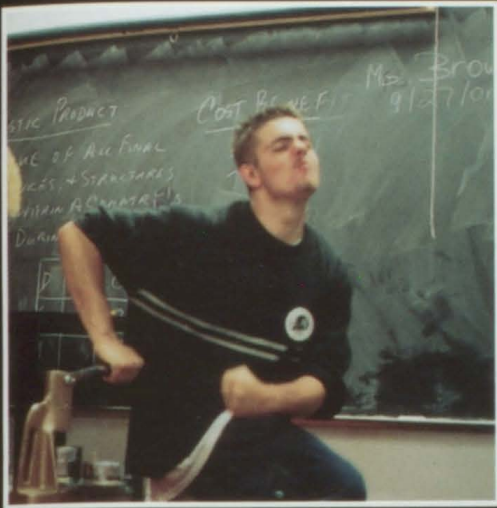

9.11.01

UNITED WE STAND

On September 11th, our world changed. Hijacked planes crashed into both towers of the World Trade Center, the Pentagon and a field in Pennsylvania. Humboldt students and staff heard the news of terrorist attacks during first hour. TV's were turned on in every room to watch. Math classes became history classes as students watched the day's events unfold.

Although few notes were taken in class on this day, we all learned a valuable lesson: innocence is fleeting and life is precious. Over the next days and weeks, students showed support by wearing patriotic buttons. Others made red, white and blue paper chains for the library. The school observed a moment of silence during class. Shown above, Alicia Mena collects money for the American Red Cross, following the disaster.

Good TIMES

Being at Humboldt gives seniors something to smile about! Every day, whether it's in a class or in the hall, students can find time to have fun!

What are your military plans ?

Fredy O. Padilla

I've always had an interest in the military. I know that joining the Marines will be a challenging experience. I enjoy physical tasks that allow me to challenge my strength and skills. I think that the Marines will help me become a more responsible person, a better leader, and more successful in life.

What college plans do you have ?

Stephanie Dimapelis

After "02" graduation, I'm planning to go straight to college. I'm choosing between the University of Minnesota or the University of Florida. I'm planning to take either Computer Programming, Physical Therapist, or in a Technical College, Auto-mechanics.

What are your future career plans ?

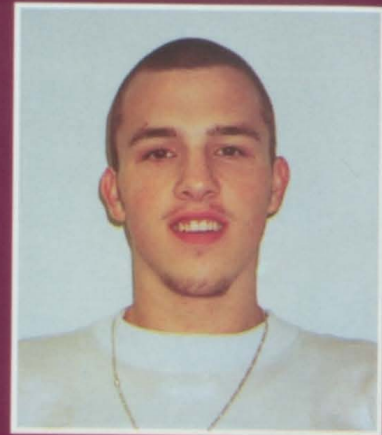

Molly Baker

After college I want to work in a clinic, counseling teen girls and guys about life experiences.

What are your plans instead of college ?

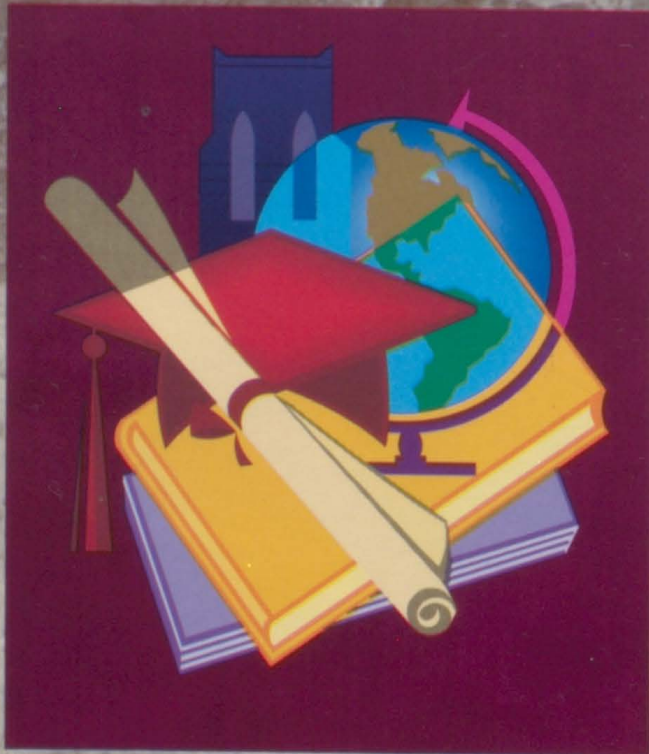

Jon Bramer

After High School, I'm planning on taking a year off, only if I don't get some sort of scholarship. If I don't get a scholarship I'm going straight into the work world. Hopefully I will get a scholarship to a college close to home.

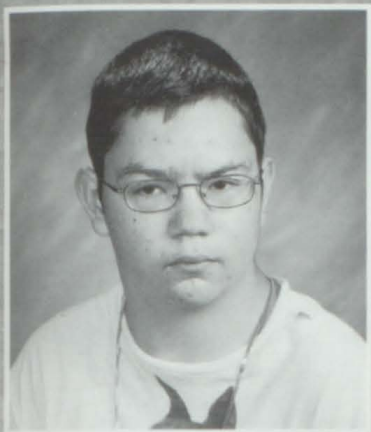

Ahead Of Our

TIME

The time has come for seniors to start looking ahead. It is now time for them to start thinking about college, jobs, and becoming adults. Yearbook staff decided to interview four students on their plans after graduation. Each had different but similar goals, shown above are what they said.

STATE ADAPTED SOCCER SPORTSMANSHIP AWARD

At the State Adapted Soccer Award Ceremony held for the soccer team at Humboldt, Emilie Schultz, shown above, sings the National Anthem. Shown right team members receive the award.

Sports are Alive at Humboldt!

On October 30, 2001 at the Saint Paul Conference Swim Meet, senior, Suzy Lindberg, won the Washington Spirit Award.

This award is given to one swimmer in the conference each year. Swimmers must be nominated by their coach. Then, applicants are judged on swimming achievements, academic achievements, extracurricular activities and community involvement. Each coach in the conference gets a vote, and a winner is decided.

Suzy was announced as the winner at the end of the Conference meet. She received the trophy, shown above, which will stay in the trophy case for this year! Next year, Suzy is expected to take the trophy back and present it to the next winner.

It has been 23 years since this trophy has been at Humboldt. "I was really surprised when I heard my name!" Suzy said, "It was a big honor and a great way to end my last season!"

Another great season for Girl's Swimming!

Coach Kowalski

Maria Cintron

Mr. Kowalski led the team to a win against Arlington and guided the team to make great improvements in their swimmer's times.

Maria was Co-Captain of the team and worked hard all season long, at every practice and meet. This year was Maria's 5th year on the swim team!

What Do You Think Time Will Tell For Your Future?

Kernessia Kirk

I feel that I will graduate and that I will have a lot of memories to look back at.

Robert Elizondo

New teachers, new students, same ole 'Senior Pranks' until it's our turn!

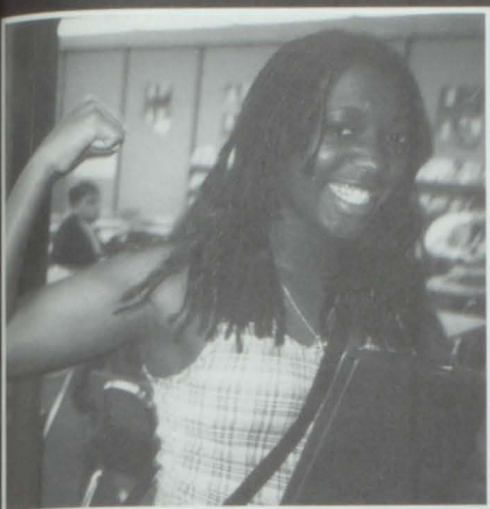

Time For Underclassmen

What exactly is Time? Time for students can be many different things. At the beginning of the school year we set our clocks back, we rush to get to school on time, in math we learn $2 \times 2 = 4$, after schools over we're ready for prime time T.V. "Friends," and then it's bedtime. Tomorrow begins another day for high school students.

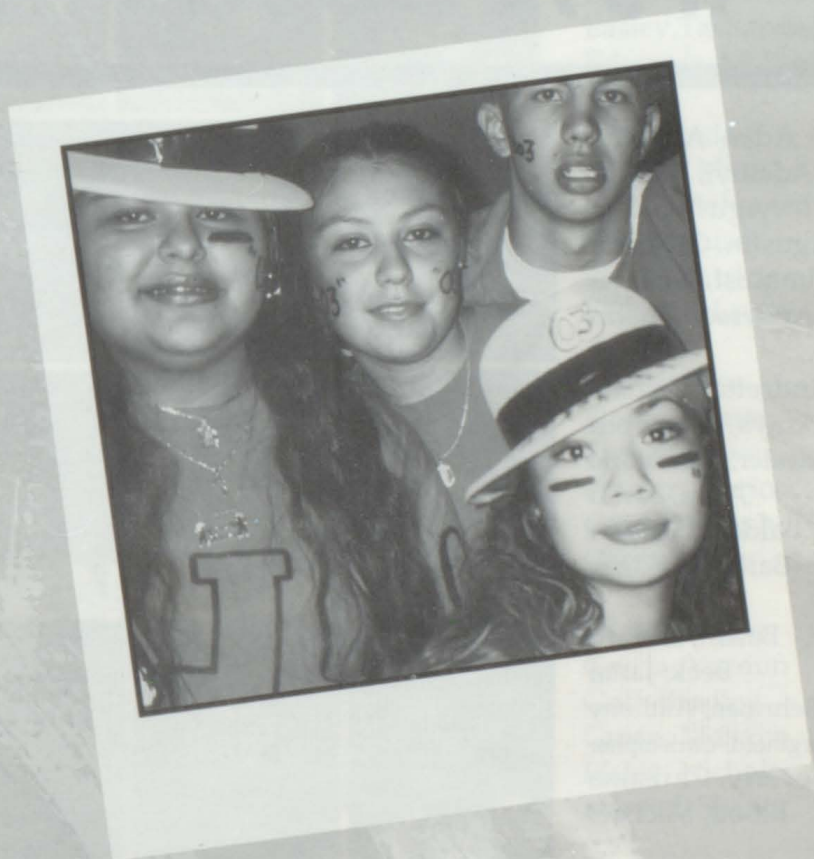

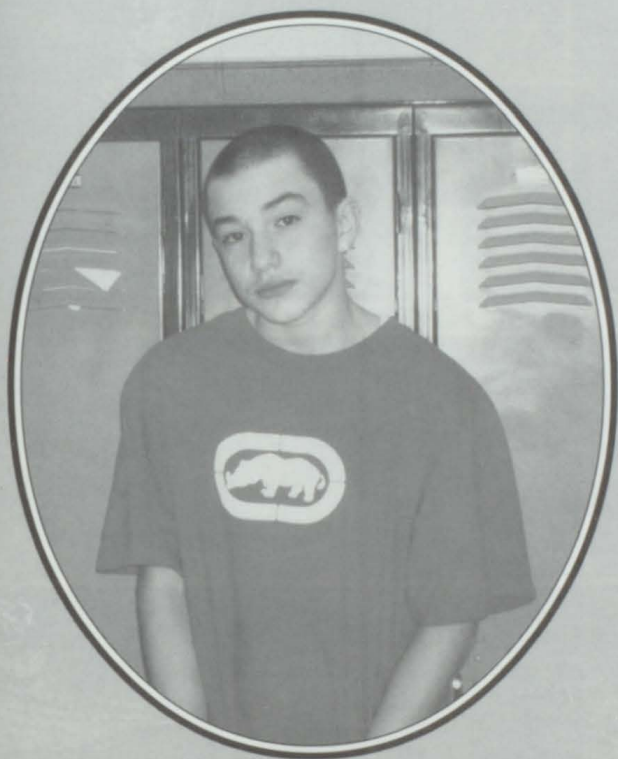

High school is the beginning of a new time for students. When you're a freshman it seems like a whole new world. For sophomore students time is beginning to go a lot faster. Juniors spend a lot of time looking at the clock and waiting for the bell to ring and their senior year to begin.

Only TIME

Will Tell..

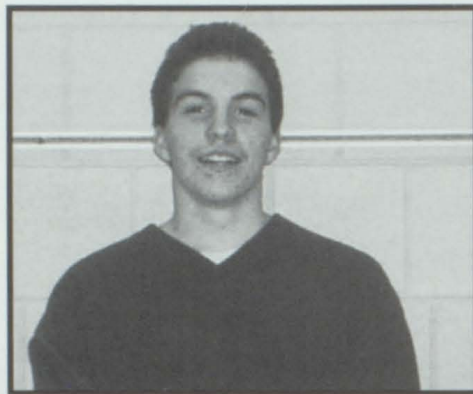

Alfredo, Class of 2005 said, "What happens in this time will determine his future." He also said, "That when you start over you have got to build your way back to the top."

Class of ... 2003

Good times for Victoria Holland are during 'Spirit Week,' because it's the best time for everybody.

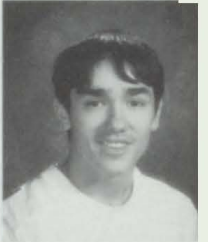

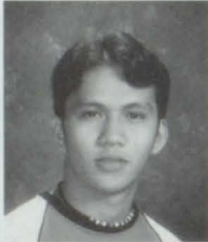

The best times for Drew Larson are when he is around his friends and they are having a good time.

On Wednesday, October 3, Friendship Club and school board member Gilbert De La O, shown above, gathered in front of Humboldt to plant daffodils. The daffodil planting took place in honor of those who died in New York, Washington D.C. and Pennsylvania on September 11. SLIDE RULE IN ACTION

Shown left is what math students used for a calculator in the 1950's and 1960's. Probably the only advantage of using a slide rule was that there was no need for batteries. It is amazing how far calculators have advanced in the past 40 to 50 years! With any type of calculator, the person using it has to know how to use it and what the output means. That is one of the goals of the math team.

This year the Hawk Monthly started fresh with a new Advisor, Ms. Kita Vang. The newspaper staff grew as well, making it easier to cover all of the news. From TIME To TIME

This year's editors, shown left, Bee Lee Assistant Editor, Editor In Chief Kim Johnson, Assistant Editor Suzy Lindberg. They learned a lot of new tricks for the yearbook at Jostens Yearbook Camp held at Gustavus Adolphus College, over the summer. At camp, the editors worked with Josten's representative Todd Thiews, and Ms. Atkinson to decide on the title and make other important decisions for the book. Once school started, the whole group, shown below, got together and started in on the project right away! This is Advisor Valerie Atkinson's 10th yearbook for Humboldt!

Student Council

This year the Student Council has put on many successful activities, such as Homecoming and the Penny Wars. The Penny Wars were done in place of a Variety Show. Overall, the contest raised \$800 which was spent on gifts for students at Roosevelt and Riverview elementary schools for the holidays. The Seniors won the Penny Wars by bringing in the most change! The reward was the great smiles on the elementary students when they received their holiday gifts bought and given by members of the Student Council.

One of the competition teams that JROTC has is the Knowledge Bowl Team, shown above. Their fast on the buzzer and smart too, as they take a first place win at the Red Bull Invitational held at Humboldt.

Military Ball 2001

On Friday, December 21, the Fifth Annual Military Ball was held at the Fort Snelling Officers Club. To open the ceremony, the Color Guard presents the Colors, followed by toasts to the United States of America, the President, the U. S. Army, and Humboldt High School. The dinner and dance provided an opportunity for cadets and their guests to practice social skills in a formal environment.

Each year honored guests and their dates are announced and presented to assembled guests. Given the command "Arch Sabres," cadets on both sides of the honored guests form an arch for the guests to walk through. Shown above, Cadet Colonel Mitchell Carlson escorts Cadet Sergeant Major Sarah Aura through the Sabre Arch. Applause was given as they walked through the arches and pictures taken.

After dinner, the dance begins and guests enjoy the 'Chicken Dance' and the 'Hokey Pokey'. This is a long held tradition that the Humboldt Corps of Cadets proudly carries on.

All males are required to get their dates beverages and cake. Shown left, Juan takes his lovely date to the dance floor to show her his dance moves.

SNOW DAZE

Snow Daze Fun Daze

Shown above (L-R) Snow Daze teacher candidates Ms. Carson and Colonel Johnson walk down the aisle. Teacher King and Queen, Mr. Gaslin and Ms. Welsh. Student Council members blow up balloons before coronation. Students get their groove on at the Snow Daze dance. Candidates have lunch at Applebees after coronation (shown left).

Snow Daze

Coronation was held on Friday, February 8th, in the senior high gymnasium. The Student Council spent several hours preparing for the annual event. The result transformed the gym into an enchanted ballroom. Each candidate walked around nervously while they waited to be announced for their grand entrance. The ladies were elegantly decorated in their evening gowns and the gentlemen were dressed handsomely in their formal wear.

Finally the time had come to crown our Snow Daze Royalty. The winners shown above left to right were Prince Robert Noyola, Duke Joe Mitchell, Lord Chia Lee, King Armando Luna, Queen Rebecca Donaldson, Lady Aissa Reyes, Duchess Mai Nhia Thao, and Princess Jenny Harrington.

Other events happened during Snow Daze Week. Each day was a special dress up day. Monday was P.J. Day, Tuesday was Twin Day, Wednesday was Mismatch Day, Thursday was Spirit Day and a pep assembly was held on that day to honor all the winter athletes, and Friday was Sports day. The Snow Daze dance was held on Friday February 15. The dance was enjoyed by the students and staff that helped chaperone the dance.

With winter events over can spring be far behind? Soon it will be graduation time and another year of fun memories to look back upon. A special thanks to Mr. Kranz Student Council Advisor for all his hard work.

"I enjoy the lunch periods because it allows me to interact with students on a more social level."

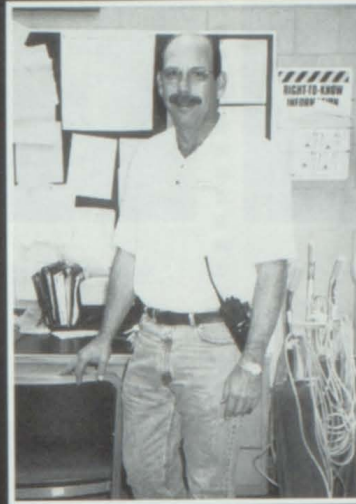

PARTNERS IN EDUCATION FOR ALL FOR LIFE

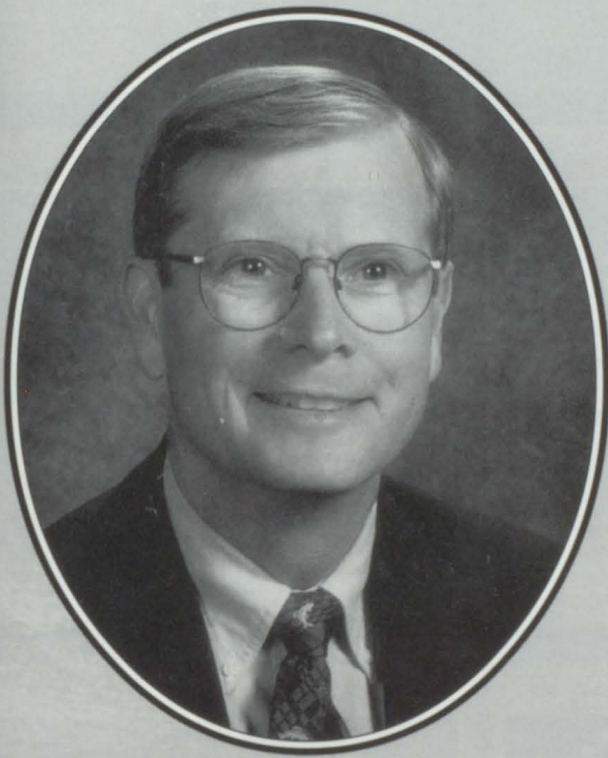

This August during opening week all of the senior high staff met at Dodge Nature Center. This day long retreat was planned by the Staff Development Team. One of the day's goals was to establish a vision statement for Humboldt that enhances the 'Hawk Pride' mission statement, **Helping Students To Achieve With Knowledge, Participation, and Responsibility In a Dignity based Environment.** The new vision statement is **'Partners in education for all for life.'**

Upon arrival at Dodge Nature Center, staff formed teams. Shown above are members of the 'United Family' team. Each group competed in various team building events. One event, shown left, was the 'Save the Student' egg drop activity. Each team had to design a structure to protect the egg when dropped. Staff cheered on each team as they dropped their egg. No eggs were broken!

Blood Drive

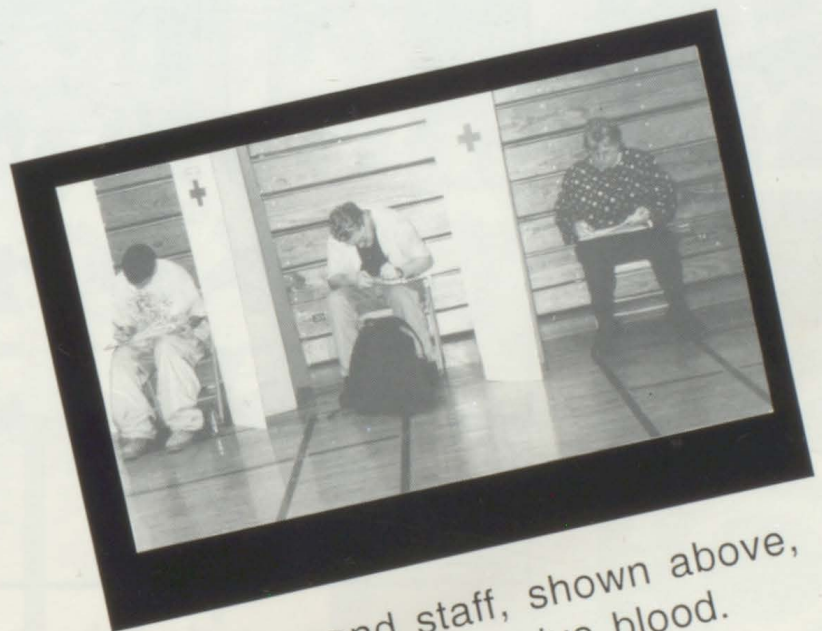

Waking up extra early on March 6, 2002 a group of Student Council members went to school early at 6:30 a.m. They met with some of the Red Cross nurses and set up the annual Humboldt High School Blood Drive. There were first time blood donors and there were experienced donors. Everyone who participated, students and staff, were proud and glad to make a difference.

Last year the Student Council collected 45 pints and this year, they exceeded that goal and raised 52 pints of blood. "Everything went smoothly! Hopefully we can increase the amount next year as well," said Student Council Advisor Mr. Kranz.

Senior Honors Night

What do you get when you add over 50 seniors, over 20 teachers and a room full of proud parents? Senior Honors Night, which was held on May 22, 2002.

Many seniors were invited to be honored by Department Awards, Special Presentations, and Scholarship Awards. Parents and students were welcomed by Senior Class Advisors, Mr. Aeilts and Mr. Schlukebier shown above. Introductions were given by Mr. Lindberg, Principal who handed out the awards.

The evening began with a touching Power Point presentation highlighting all the honored seniors and giving their plans for next year. This presentation proved how diverse the honorees were, both in their high school activities and their post-secondary plans. Humboldt has a lot to be proud of in the graduating Class of 2002.

On Saturday, May 11th, the Junior-Senior Prom, Heaven On Earth was held at the Radisson Hotel downtown St. Paul. The Junior Class Council, advised by Ms. Johnson, did a wonderful job setting up the hall with white, baby blue and silver decorations. Couples dressed in their finest and started arriving at 7:30 p.m. to prepare for the 8:00 p.m. Grand March.

The Grand March began at 8:00 p.m. sharp. Family and friends were dazzled to see how nice the students looked in their formal wear. Afterwards pictures were taken and prom began. Students then headed for the dance floor to party to the music. At the end of the night students had a chance to receive a nice picture frame to remember all the fun they had.
