

Welcome Back

Welcome Back

to the 2013 -14 school year, the 148th year that Central has produced topnotch students who have impacted the world, their country, their state, and their local community.

We expect that all who enter Central will focus on their academic goals and gain the necessary skills to be successful in life. We, as a staff, will provide a rigorous educational environment that will foster inquiry and excitement for learning.

HAVE A GREAT SCHOOL YEAR. Focus on your goals and learn about all the cultures here on the Central campus.
