

December Notes

Thank you to all the families that donated toys for our annual EXPO Toys for Tots. Many EXPO families were able to come in and find gift items for their families. All items left over were given to SPPS Project Reach and will be donated to other SPPS families in need.

We are excited to kick off 2020 with a new Positive Behavior Interventions and Supports (PBIS) program at EXPO. Watch for a contract coming home in January and talk to your children about DEX the EXPO T-Rex and other fun activities.

January also begins the new enrollment season for SPPS. Students already enrolled in EXPO do not need to apply again, but if your student is heading off to middle school, be sure to fill out an application at apply.spps.org. Also, if you know of families that are looking for a great school, please encourage them to apply for EXPO.

Once again, we are looking for a substitute para-professional from January through March as one of our employees will be completing her student teaching. If you are interested, please contact Mr. Yerama.

1

HAPPY NEW YEAR

School resumes January 6

2

READ!

The weather outside is frightful.....it is a perfect time to have your children curl up with a good book

3
