

Nokomis Montessori North campus

2021-2022 Family Engagement Plan

School Introduction:

Students at Nokomis Montessori North campus, serving the east side of Saint Paul, learn in multi-grade classrooms. We are a Montessori School utilizing the Montessori method and blend in components of Reader's workshop and Writer's workshop. Students learn in a noncompetitive environment and use special Montessori materials that help them understand concepts and skills. The Montessori teaching style and classroom organization maximizes the school learning environment and student behavior.

Vision: Our vision is to create a school community which stays true to our unique Montessori philosophy and methodology; where students and staff achieve individual learning success by nurturing our creativity in a clean, beautiful, peaceful environment.
