Dear Highland Park Senior High School Families,

Recently, there have been many discussions about whether Highland Park Senior High would offer Junior Reserve Officer Training Corps (JROTC). We value JROTC and offer it at five other high schools. However, we held three meetings and invited our families to complete a survey on whether or not this program should be offered.

Though the idea of offering JROTC appealed to many families the majority of families were against offering this elective. Because of the greater number of those who oppose the program, we cannot offer it at this time.

As always, we appreciate your support of our school and of Saint Paul Public Schools. If you have questions you think we can answer, please call us.

Sincerely,

Dr. Winston Tucker, Principal
Highland Park Senior
