

## How GPHS is Following Its School Continuous Improvement Plan

### GOAL 1: SCHOOLWIDE

100% of students in grades 9-12 will take the Student Climate Survey Fall 2022 and in Spring 2023 with an increase of 10% in student satisfaction as measured by the overall score by June 2023.

Updates:

- \* The school-wide survey was administered during quarter 1 and results shared with administrators.
- \* Teacher climate surveys will be given in February.

### GOAL 2: MATH

The passing rate for all mathematical courses will increase from 18% (Quarter 4 of 2021-22) to at least 28% in the 2022-23 school year.

Actions:

- \* Teachers are using IXL and Desmos software as classroom tools.
- \* Using the software, teachers can identify and address students' needs.
- \* Students can accelerate credit earning through participation in Project Based Learning (PBL).

### GOAL 3: READING

The total passing rate for all ELA courses will increase from 63% (2021-22 average passing rate per quarter) to at least 73% in the 2022-23 school year.

Actions:

- \* Common Lit app is used to target reading to students' ability levels.
- \* Reading/Writing Workshop model gives our ELA teachers the ability to address individual student's needs.
- \* Students can accelerate credit earning through participation in Project Based Learning (PBL).
