

# Science Flow Chart

Science Graduation Requirement: students must successfully complete three years of science. One year must be Biology and one year must be Chemistry or Physics. Please refer to the descriptions in the course catalog for prerequisites.

\*To enter the intermediate path as a 9<sup>th</sup> grader, the student must have passed all four quarters of Accelerated Science 8.

\*\*To enter the IB Diploma Path as a 9<sup>th</sup> grader, the student must have achieved a B or higher in at least 3 of the 4 quarters of Accelerated Science 8.

In order to be best prepared for an IB level class it is highly recommended students take the accelerated version before the IB version.  
For IB HL Biology (Higher Level) students must first complete the IB SL Biology (Standard Level) Class.
