

Fall 2023

What is the Home/School Partnership Agreement?

The Home/School Partnership Agreement was developed by parents and staff of Txuj Ci HMong Language and Culture Lower Campus. Parents participated through parent groups, and surveys. This is a working document. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards. We welcome your suggestions, feedback and comments. Call the Family Room for more information.
