I grew up in St. Paul and graduated from Harding. I now live in Cottage Grove with my family and dog. My own kids keep me busy but I know they won't be home forever (they are growing up so fast!) so I enjoy every minute. I love summer when I can bike ride and spend time out on the boat but fall is my favorite season. I love going back to school and seeing all the smiling faces. I truly have the best job in the world!

This is my **21st** year teaching.

I went to college at  
**UNIVERSITY OF MINNESOTA**

If I wasn't a teacher, I would be

A professional organizer

The best thing about teaching is

Building relationships with my students and watching them learn and grow and mature. They inspire me everyday.
