

2020-21 Family Engagement Plan

AGAPE High School, a small learning community within St. Paul Public Schools offers young women who are pregnant or parenting an educational option. We offer all core classes required for graduation, as well as College In the Schools and other Post Secondary Educational Options.

The Family Engagement Plan (FEP) is organized into four impact areas. We will be working together this year to build positive and goal-oriented relationships in each area. Families and staff at school developed this plan together. We invite parents and community feedback and input on our plan. Please contact Lois Vosika-Weir @ Lois.vosika-weir@spps.org for feedback / input.
