Initiative Inventory

This tool can be used to guide a review of past and current initiatives to get a clear picture of successful strategies, and challenges, along with existing mandates and resource commitments. List the few most important initiatives and complete the information just for them.

Name of Initiative + Mandated or Regulatory? (yes or no)	Leadership of Initiative (name of leader and key team members)	Target Population	Financial Commitment (annual or total funding; source of funding)	Initiative Start Date and End Date	Relation to District (<i>or State, etc.</i>) Priorities and Strategic Plan	Expected Outcomes (with measures)	Evidence of Outcomes (<i>data showing impact</i> <i>to date</i>)
