If so requested by the Superintendent, the principal shall request excuse from jury duty.

SECTION 8. SCHOOL-RELATED INJURIES. A principal who is injured in the course of carrying out duties and responsibilities as an employee of the Board shall be granted leave without loss of pay for a period not to exceed five (5) days. If such injury is the result of assault, leave without loss of pay shall be granted for a period not to exceed ten (10) days. Such leave granted shall not be deducted from the principal's accumulated sick leave. This provision shall apply provided that the principal acted professionally and with appropriate precautions.

SECTION 9. MILITARY LEAVE. Pursuant to and within the limits of the requirements of M.S. §192.26, principals shall be granted military leave for up to fifteen (15) days in any calendar year for required military service.

SECTION 10. SABBATICAL LEAVE OF ABSENCE. Sabbatical leave is a leave of absence involving compensation for travel or study for the purpose of professional enrichment that shall result in benefit to the District.

Subd. 1. In order to be eligible for sabbatical leave, a principal shall have actively served in the District for seven (7) full years or more. In order to be eligible for more than one sabbatical leave, a principal shall have actively served in the District for seven (7) full school years or more following the termination of the previous leave. Subd. 2. Sabbatical leave may be granted for a quarter, semester or for a full school year. Leaves for study shall normally start and end at times coterminous with the college calendar for the quarter or semester. Leaves for travel shall start and end at periods coterminous with the District's semesters or on September 1 and February 1 for full-year and semester leaves, respectively.

Subd. 3. The allowance granted to a principal absent on sabbatical leave shall be at the rate of fifty (50) percent of the principal's salary for the portion of the school year in which the leave is to be taken. It shall be paid in regular installments during the school year.

Subd. 4. A principal on sabbatical leave shall retain all rights of tenure and benefits as though working during that period, except that credits earned during sabbatical leave shall not apply for salary purposes before the principal's return to service in the District. Pension contributions by the Board shall be based on the salary paid for the duration of leave. Upon return to service, the principal shall be reassigned to his or her former position or to a similar and equal position.

ARTICLE 6. COMPENSABLE LEAVE, Section 10 (continued)

Subd. 5. The number of sabbatical leaves available to be granted in any year shall be limited to two (2), effective July 1, 1982. Additional leaves above the number herein prescribed may be granted at the sole and exclusive discretion of the Board.

Subd. 6. If the number of approved requests for sabbatical leave exceeds the maximum number allowable, first consideration shall be given to the benefits the District should realize from the leaves. Secondary factors that shall be considered are length of service and benefit to the individual. Consideration may also be given to the availability of a replacement should a leave be granted.

Subd. 7. Principals who are granted sabbatical leave shall pledge themselves to return and serve the District for a period of one (1) contract year. In case a principal is unwilling to meet this obligation for service after sabbatical leave, he or she shall refund, to the Board, over a period of one (1) year, the amount of compensation granted during leave. This provision shall not apply when, upon proper medical certification, it is determined that the principal is incapacitated for any professional employment in the District.

- No more than twenty (20) days (160 hours) of sick leave may be converted for ten (10) days (80 hours) of vacation time in any one year.

ARTICLE 7. NONCOMPENSATORY LEAVE

SECTION 1. DEFINITIONS

Subd. 1. Noncompensatory leave is a leave without pay that may be granted upon request subject to the provisions of this Section and approval of the Superintendent. Such leaves shall be without compensation and without pension contribution or benefits unless required by law.

Subd. 2. Noncompensatory leaves may be granted for personal reasons or for reasons of adoption or pregnancy and/or the need to provide parental care for a child or children of the principal for an extended period of time immediately following adoption or termination of pregnancy.

Subd. 3. Leaves of absence shall be granted as required under the federal law known as the Family and Medical Leave Act (FMLA) so long as it remains in force. The Human Resource Department provides procedures that coordinate contractual provisions with FMLA. Leave of absence [form](#).

Subd. 4. Subd. 2. If the reasons for a parental leave include pregnancy, the principal shall also provide at the time of leave application a signed statement by her physician indicating the expected date of delivery and that the principal is fully capable of meeting the requirements of her position until the date of the leave.

ARTICLE 7. NONCOMPENSATORY LEAVE (continued)

- 4.6 A parental leave with position guarantee shall not be granted which in effect would extend the leave from one school year into a succeeding school year.
- 4.7 Should a principal on parental leave with position guarantee anticipate returning to work prior to the scheduled termination date of the leave, she shall provide the Director of Human Resources sufficient prior written notice to allow appropriate accommodations to be made for her early return.

Subd. 3. Upon termination of the scheduled noncompensatory leave, or earlier by agreement between the principal and the Director of Human Resources, the principal shall be reassigned to an appropriate vacancy. That is, part-time employees working 50-54 percent time would be granted 50 percent contribution; part-time employees working 55-64 percent time would be granted 60 percent contribution, and so on.

Subd. 5. Eligible principals on non-compensable leave may elect to continue all or part of medical, dental or life insurance coverages for a period up to one (1) year provided, however, that the Board shall not contribute to the cost of such coverage until the principal returns to active service in the District.

5.1 The District shall continue to contribute, for a period of one (1) calendar year following the death of an eligible principal, the cost of premiums for health insurance coverage for dependents then currently covered at the rate then currently paid, of a principal deceased while actively employed in the District, whose death arises out of the employment relationship.

Subd. 6. Flexible Spending Account. It is the intent of the Employer to maintain during the term of this Agreement a plan for medical and child care expense accounts to be available to employees in this bargaining unit who are eligible for Employer-paid premium contribution for health insurance for such expenses, within the established legal regulations and IRS requirements for such accounts. Effective January 1, 1999, the Flexible Spending Account will be incorporated as part of the qualified Cafeteria Plan.

3.2 Exigent Circumstances. Eligible employees are encouraged to notify the Director of Human Resources as soon as possible that they plan to retire. If an employee submits documentation verifying that exigent circumstances exist that made early notification of retirement plans impossible, such as a sudden illness/injury of the employee or immediate family member necessitating immediate retirement, and if the employee meets the eligibility requirements set forth above, the District will review and consider this information and may waive any reduction of severance as provided in 3.1 above.

3.3 Pay for Unused Sick Leave. If an employee requests severance pay and meets the eligibility requirements set forth in Subd. 2, he or she will receive a District contribution to the Severance Plan in an amount equal to \$270 for each day of accrued unused sick leave for up to one hundred twenty two and twenty two one-hundredth (122.22) days.

Payment for earned, unused vacation shall be made to the Severance Plan.

SECTION 6. PENSION BENEFITS. The Board shall provide pension contribution as established by law.

SECTION 7. WORKERS' COMPENSATION. Additional benefits over and above those received under the Workers' Compensation Act shall be paid out of the accumulated sick leave of the principal if the principal so elects. In no case shall these additional benefits, together with those received under this Act, total more than the principal's regular salary, nor shall these additional benefits exceed the amount of accumulated sick leave.

SECTION 8. DEFERRED COMPENSATION Employees who are not covered under Section 2, Subd. 5 or Subd. 6 of this article, shall have \$1,000 deposited to a 403B or other deferred compensation account at the beginning of each calendar year without a match from the employer. The choice of such legal counsel shall be made only after consultation with the principal.

Provision of counsel shall not be construed to render the District liable for its torts, except as otherwise provided by law, or for reimbursement of costs of counsel provided to the principal pursuant to the contract obligation of another or otherwise than under M.S. § 127.03, Subd. 2, or for payment of any judgments or any other costs or disbursements in connection therewith where the judgment, cost or disbursement is against the principal and not against the District.

For the purposes of this article a position is the same as the salary schedules defined in Article 13, Salary Provisions, Section 9. Principal Salary Schedule. There shall be an additional two (2) year probationary period for an assistant principal appointed to the position of principal. Probationary principals or assistant principals who have teacher tenure in the District, who are not confirmed in the promotional position, have the right to return to their previous position if it remains in existence, or to a position equivalent to the one held prior to the probationary promotional appointment. Probationary principals and assistant principals who have previously held a position within the principal bargaining unit and are not confirmed in the new appointment have the right to return to their previous position if it remains in existence or to a position equivalent to the one held prior to the probationary appointment. Such return to the previous or equivalent position shall not be considered a demotion for the purposes of the tenure law.

ARTICLE 14. UNREQUESTED LEAVE OF ABSENCE

14.1 Seniority Date: The seniority dates for new bargaining unit employees shall be determined based on the following:

New principals shall have their first duty day as their seniority date.

For purposes of this section, "hired" means assigned to a position within the principals' bargaining unit.

14.2 Unit Service: Principals shall be allowed to count only service as a unit member for purposes of placement on unrequested leave of absence from a principal's unit position. Service in other non-units within the district cannot be counted for purposes of bumping another unit member.

Principals retain all other rights under Minnesota Statutes 122A.41.

New bargaining unit members shall be under a probationary period with no continuing contract rights for a principal bargaining unit assignment.

14.3 Ties: The following criteria shall be used to break seniority ties in the placement of principals:

- 1) Initial date of service in the District as a licensed teacher or other licensed professional.
- 2) Earliest/lowest Professional Educator Licensing and Standards Board (PELSB) file folder number.

14.4 Placement on Unrequested Leave of Absence

Subd. 1. General. The District may place principals and/or assistant principals on unrequested leave of absence, without pay or fringe benefits at the close of the school year. The District agrees to consult with the Association regarding proposed alternatives to unrequested leave of absence situations, provided such consultation does not result in delay.

Subd. 2. Method. The District will place the least senior principal within a category on unrequested leave of absence. All unit members will be assigned a category. The categories are: high school principal, middle school principal, elementary principal, high school assistant principal, middle school assistant principal and elementary assistant principal. Nothing in this language allows a principal to receive a promotion during the unrequested leave process. Principals may not assert a seniority right into a position that is promotional. Principals may assert a seniority right into a position that is not promotional.

Nothing in this section limits the rights of a Principal placed on unrequested leave of absence to assert statutory rights into a licensed teaching position.

Subd. 3. Exempt Assignments: The parties agree that the following positions involve special knowledge, skills and abilities:

American Indian Magnet School

A seniority right may not be asserted into an exempt position identified herein. The individuals in these assignments retain all seniority and bumping rights in the event their position is discontinued, or their assignment is changed.

ARTICLE 14. UNREQUESTED LEAVE OF ABSENCE (continued)

14.5 Reinstatement

Subd. 1. Recall. Principals will be recalled from an unrequested leave of absence to available positions for which they are licensed. Principals cannot assert a reinstatement right to a promotional position. The principal with the highest seniority date will be reinstated first.

Subd. 2. Reinstatement Qualifications. The District and the Association may, by agreement, designate a position as requiring special knowledge, skills and abilities for purposes of reinstatement.

Subd. 3. No appointment of a new principal will be made while there is available, on unrequested leave, a principal who is properly licensed to fill such vacancy. Principals cannot assert a reinstatement right to a promotional position.

Subd. 4. Notification will be by certified mail to the principal's last known address and to the principals email address. In the event a principal declines a principal position or fails to notify the District in writing of the principals' intentions within fifteen (15) days of the date of notification, the principal is removed from the recall list. A principal on unrequested leave of absence will provide the district with appropriate contact information annually for purposes of notification in this section.

Subd. 5. MEMORANDUM OF AGREEMENT  
BETWEEN SAINT PAUL PRINCIPALS' ASSOCIATION AND  
INDEPENDENT SCHOOL DISTRICT NO. 625  
REGARDING IMPROVEMENT PLANS

Placement on an Improvement Plan

The Assistant Superintendent (supervisor) will advise the principal that the principal's performance needs improvement. The parties will discuss performance issues and attempt corrections on an informal basis. If the supervisor determines that improvement in the principal's performance has not occurred, the supervisor will design a reasonable improvement plan which clearly sets out expectations, supports, and timelines to improve performance. While the supervisor is responsible for creating the improvement plan, he/she will meet with the principal to discuss and develop the components of the plan. The principal has the right to representation at this meeting if the principal so chooses.

"On Track"

A principal will be considered "on track" if the principal has substantial compliance with the components of the improvement plan as of May 15. The Assistant Superintendent (supervisor) also must be substantially "on track" in providing timely support and monitoring of the improvement plan. "On track" means following the actions and adhering to the timelines outlined in the improvement plan. The Area Superintendent (supervisor) will determine and notify the principal as of May 15 if the supervisor determines that the principal is not "on-track." A meeting will be held no later than June 1 of that year to discuss the supervisor's determination. The principal will have an opportunity to present additional information and mitigating circumstances. The principal may have representation at this meeting if the principal desires. If after this meeting the supervisor determines that the principal is not on track, the principal will not receive step advancement as of July 1. If the Assistant Superintendent (supervisor) is not substantially on track, a step increment cannot be withheld. The principal shall have the step increase granted retroactively to July 1 if the principal successfully completes the components of the improvement plan.

The Assistant Superintendent (supervisor) may determine the principal's performance is improving and the principal is on track with the improvement plan by the end of one school year and still have performance concerns that need to be addressed in the upcoming school year. In these cases a new improvement plan with clear expectations and timelines for the upcoming school year will be created.

Rights to Review

Placement on an improvement plan is at the discretion of the District. A principal may appeal the components or timelines of an improvement plan to the Superintendent. If step advancement is not reinstated within twelve (12) months, the principal may utilize the grievance procedure to seek reinstatement of the step.

These provisions apply to attempts to remediate performance and do not modify employees' rights or employer's rights with regard to disciplinary procedures.

LABOR MANAGEMENT COOPERATION

The District and Association agree that it is in the best interest of principals, assistant principals and the school district to meet and discuss areas of concern or ideas for District effectiveness. Therefore, the Association and the District will work together, during the term of the 2011-13 labor agreement, on a forum for these discussions. These discussions are intended to address issues quickly by bringing people relevant to the discussion together in a forum to talk. Either the Association or the District can initiate these discussions. Both parties understand that to limit disruptions at the various work sites, participation in these discussions should be limited to small groups of people. This forum does not replace negotiations of contractual issues.
